All final requests for payment of Professional Fee Claims for services rendered and reimbursement of expenses incurred prior to the Confirmation Date must be Filed no later than forty-five (45) days after the Effective Date. The Bankruptcy Court shall determine the Allowed amounts of such Professional Fee Claims after notice and a hearing in accordance with the procedures established by the Bankruptcy Code and Bankruptcy Rules. The Wind-Down Entity shall pay Professional Fee Claims in Cash to such Professionals in the amount the Bankruptcy Court allows, including from funds held in the Professional Fee Escrow Account as soon as reasonably practicable after such Professional Fee Claims are Allowed by entry of an order of the Bankruptcy Court; *provided* that the Debtors' and the Wind-Down Entity's obligations to pay Allowed Professional Fee Claims shall not be limited or deemed limited to funds held in the Professional Fee Escrow Account.

2. Professional Fee Escrow Account

No later than the Effective Date, the Debtors shall establish and fund the Professional Fee Escrow Account with Cash equal to the Professional Fee Escrow Amount. The Professional Fee Escrow Account shall be maintained in trust solely for the Professionals and the U.S. Trustee and for no other Entities until all quarterly U.S. Trustee fees and all Professional Fee Claims Allowed by the Bankruptcy Court have been irrevocably paid in full to the U.S. Trustee or to the Professionals pursuant to one or more Final Orders of the Bankruptcy Court. No Liens, claims, or interests shall encumber the Professional Fee Escrow Account or Cash held in the Professional Fee Escrow Account in any way. No funds held in the Professional Fee Escrow Account shall be property of the Estates of the Debtors or the Wind-Down Entity. When all Professional Fee Claims Allowed by the Bankruptcy Court have been irrevocably paid in full to the Professionals pursuant to one or more Final Orders of the Bankruptcy Court, and all U.S. Trustee quarterly fees plus statutory interest, if any, have been paid in full, any remaining funds held in the Professional Fee Escrow Account shall be turned over to the Wind-Down Entity without any further notice to or action, order, or approval of the Bankruptcy Court or any other Entity.

3. Professional Fee Escrow Amount

The Professionals shall deliver to the Debtors a reasonable and good-faith estimate of their unpaid fees and expenses incurred in rendering services to the Debtors before and as of the Confirmation Date projected to be outstanding as of the anticipated Effective Date, and shall deliver such estimate no later than five Business Days prior to the anticipated Effective Date. For the avoidance of doubt, no such estimate shall be considered or deemed an admission or limitation with respect to the amount of the fees and expenses that are the subject of a Professional's final request for payment of Professional Fee Claims Filed with the Bankruptcy Court, and such Professionals are not bound to any extent by the estimates. If a Professional does not provide an estimate, the Debtors may estimate the unpaid and unbilled fees and expenses of such Professional. The total aggregate amount so estimated to be outstanding as of the anticipated Effective Date shall be utilized by the Debtors to determine the amount to be funded to the Professional Fee Escrow Account; *provided* that the Wind-Down Entity shall use Cash on hand to increase the amount of the Professional Fee Escrow Account to the extent fee applications are Filed after the Effective Date in excess of the amount held in the Professional Fee Escrow Account based on such estimates.

4. Post-Confirmation Date Fees and Expenses

Except as otherwise specifically provided in the Plan, from and after the Confirmation Date, the Debtors and/or the Wind-Down Entity, as applicable, shall, in the ordinary course of business and without

any further notice to or action, order, or approval of the Bankruptcy Court, pay in Cash the reasonable and documented legal, professional, or other fees and expenses related to implementation of the Plan and Consummation incurred by the Wind-Down Entity. Upon the Effective Date, any requirement that Professionals comply with sections 327 through 331, 363, and 1103 of the Bankruptcy Code in seeking retention or compensation for services rendered after such date shall terminate, and the Wind-Down Entity may employ and pay any Professional in the ordinary course of business for the period after the Confirmation Date without any further notice to or action, order, or approval of the Bankruptcy Court.

For the avoidance of doubt, no Administrative Claims, Professional Fee Claims, or any other post-confirmation fees and expenses shall be paid prior to payment of any quarterly fees due and outstanding to the U.S. Trustee.

C. Priority Tax Claims

Except to the extent that a Holder of an Allowed Priority Tax Claim agrees to a less favorable treatment, in full and final satisfaction, compromise, settlement, and release of, and in exchange for, each Allowed Priority Tax Claim, each Holder of such Allowed Priority Tax Claim shall be treated in accordance with the terms set forth in section 1129(a)(9)(C) of the Bankruptcy Code.

F. Subordinated Claims

Except as expressly provided herein, the allowance, classification, and treatment of all Allowed Claims against and Allowed Interests in the Debtors and the respective distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. G. Intercompany Interests

To the extent Reinstated under the Plan, distributions (if any) on account of Intercompany Interests are not being received by Holders of such Intercompany Interests on account of their Intercompany Interests but for the purposes of administrative convenience and due to the importance of maintaining the corporate structure given the existing intercompany systems connecting the Debtors and their Affiliates, and in exchange for the Debtors' and Wind-Down Entity's agreement under the Plan to make certain distributions to the Holders of Allowed Claims.

H. Controversy Concerning Impairment

If a controversy arises as to whether any Claims or Interests, or any Class of Claims or Interests, are Impaired, the Bankruptcy Court shall, after notice and a hearing, determine such controversy on or before the Confirmation Date.

ARTICLE IV.

PROVISIONS FOR IMPLEMENTATION OF THE PLAN

A. General Settlement of Claims and Interests

As discussed in detail in the Disclosure Statement and as otherwise provided herein, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided under the Plan, on the Effective Date, the provisions of the Plan shall constitute a good-faith compromise and settlement of all Claims, Interests, Causes of Action, and controversies released, settled, compromised, or otherwise resolved pursuant to the Plan. The Plan shall be deemed a motion to approve the good-faith compromise and settlement of all such Claims, Interests, Causes of Action, and controversies pursuant to Bankruptcy Rule 9019, and the entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of such compromise and settlement under section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019 of all such Claims, Interests, Causes of Action, and controversies, as well as a finding by the Bankruptcy Court that such compromise and settlement is fair, equitable, reasonable, and in the best interests of the Debtors, their Estates, and Holders of Claims and Interests. Subject to Article VI of the Plan, all distributions made to Holders of Allowed Claims and Interests in any Class are intended to be and shall be final.

B. Restructuring Transactions

On or before the Effective Date, the applicable Debtors will take any action as may be necessary or advisable to effectuate the Restructuring Transactions described in the Plan, the Restructuring Transactions Memorandum, and the Customer Migration Protocol, including: (1) the execution and delivery of any appropriate agreements or other documents of merger, consolidation, restructuring, conversion, disposition, transfer, dissolution, or liquidation containing terms that are consistent with the terms of the Plan, and that satisfy the requirements of applicable law; (2) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan; (3) the filing of appropriate certificates or articles of incorporation, reincorporation, merger, consolidation, conversion, or dissolution pursuant to applicable state law; (4) the transfer or distribution of any Cryptocurrency or Cash pursuant to the Customer Migration Protocol or the Asset Purchase Agreement, as applicable; (5) the execution and delivery of the Wind-Down Trust Agreement; (6) any transactions necessary or appropriate to form the Wind-Down Entity; (7) such other transactions that are required to effectuate the Restructuring Transactions, including any sales, mergers, consolidations, restructurings, conversions, dispositions, transfers, formations, organizations, dissolutions, or liquidations; (8) all transactions necessary to provide for the purchase of the Acquired Assets by Purchaser under the Asset Purchase Agreement; and (9) all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law.

The Confirmation Order shall, and shall be deemed to, pursuant to sections 1123 and 363 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan, including the Restructuring Transactions.

C. The Sale Transaction

On or prior to the Effective Date, the Debtors shall have consummated the Sale Transaction, and, among other things, the Acquired Assets and Assumed Liabilities shall have transferred to the Purchaser and the Purchaser shall pay to the Debtors the proceeds from the Sale Transaction, as and to the extent provided for in the Asset Purchase Agreement and the Customer Migration Protocol. The Confirmation Order shall authorize the Debtors, the Purchaser, and the Wind-Down Entity, as applicable, to undertake the transactions contemplated by the Asset Purchase Agreement, including pursuant to sections 363, 365, 1123(a)(5)(B), and 1123(a)(5)(D) of the Bankruptcy Code.

The Debtors and Purchaser shall be authorized to take all actions as may be deemed necessary or appropriate to consummate the Sale Transaction pursuant to the terms of the Asset Purchase Agreement, the Customer Migration Protocol, and this Plan. On and after the Effective Date, except as otherwise provided in the Plan and the Wind-Down Trust Agreement, the Wind-Down Debtors, the Wind-Down Entity, or the Purchaser, as applicable, may operate their businesses and may use, acquire or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules; provided, that the Bankruptcy Court shall retain jurisdiction to resolve any cases, controversies, suits, disputes, or Causes of Action that may arise in connection with any of the foregoing.

D. Management Transition Plan

The Debtors shall be authorized to implement the Management Transition Plan, the terms of which shall be reasonably acceptable to Purchaser and the Committee and included in the Plan Supplement. The Management Transition Plan shall help ensure that employees are available to provide transition services to the Debtors and/or the Wind-Down Entity to effectuate the Sale Transaction and to wind down the Debtors' Estates.

E. Non-Released D&O Claims

Any Claims or Causes of Action held by the Debtors or their respective estates against the Debtors' CEO and/or CCO (regardless of any fiduciary capacity in which such individuals were acting) that are expressly related to approval of the 3AC Loan are not released pursuant to the Plan (collectively, the "Non-Released D&O Claims"), and shall be assigned and transferred to the Wind-Down Entity to be pursued, settled, or resolved by the Wind-Down Entity in accordance with the terms of Article IV.F of this Plan and subject to the Wind-Down Reserve. Any claims against the D&O Carriers that the Debtors' insurance transactions within the 90 days prior to the Petition Date are avoidable under the Bankruptcy Code, applicable state law, or both (the "Non-Released Insurance Claims") shall be assigned and transferred to the Wind-Down Entity to be pursued, settled, or resolved solely by the Wind-Down Entity in accordance with the terms of Article IV.F of this Plan. The Wind-Down Entity shall be a successor to the Debtors' rights, title, and interest in any Non-Released D&O Claims and Non-Released Insurance Claims, and the Wind-Down Entity shall have standing to pursue the Non-Released D&O Claims and the Non-Released Insurance Claims in accordance with the terms of Article IV.F of this Plan; provided that: (i) any recovery by the Wind-Down Entity (and the beneficiaries thereof) on account of any Non-Released D&O Claim, including in each case by way of settlement or judgment, shall be satisfied solely by and to the extent of the proceeds of the Debtors' available D&O Liability Insurance Policies (and/or from the D&O Carriers

directly) after payment from such D&O Liability Insurance Policies of any and all covered costs and expenses incurred in connection with the defense of the Non-Released D&O Claims; (ii) any party, including any trustee or any beneficiary of the Wind-Down Entity, seeking to execute, garnish, or otherwise attempt to collect on any settlement of or judgment in the Non-Released D&O Claims shall do so solely upon available insurance coverage from the Debtors' available D&O Liability Insurance Policies; and (iii) no party shall (a) record any judgment against the CEO or CCO, or (b) otherwise attempt to collect, directly or indirectly, from the personal assets of the CEO or CCO with respect to the Non-Released D&O Claims. For the avoidance of doubt, this provision does not enjoin, limit, or impair direct claims held by third parties against the Debtors' CEO or CCO (if any) other than any direct claims held by Holders of Claims or Interests that opt into the third party release in Article VIII.B of this Plan. Only upon the occurrence of the earlier of (x) a release being given as part of any later settlement of the Non-Released D&O Claims; (y) final resolution of any coverage claims asserted against the Debtors' available D&O Liability Insurance Policies on account of the Non-Released D&O Claims; or (z) exhaustion of the available insurance coverage under the D&O Liability Insurance Policies, the Non-Released D&O Claims shall be released and discharged without the need for further action or Bankruptcy Court order. For the avoidance of doubt, any release of the Non-Released D&O Claims shall not become effective until one of the three conditions stated in the preceding sentence above has been met.

F. The D&O Settlement

On the Effective Date, the terms of the D&O Settlement shall be effectuated as provided in this Article IV.F.

Pursuant to the D&O Settlement, CEO shall repay the \$1,900,000 received from the Debtors on or around February 28, 2022, by paying the after-tax amount of such transfer (approximately \$1,125,000) to OpCo in cash and assigning the right, if any, to any tax refund for the balance to the Wind-Down Entity. CEO shall subordinate any Claims (including any indemnification claims asserted under this Art. IV.F) he holds against the Debtors until all other Holders of Claims are paid in full. CCO shall subordinate 50 percent of any Claims he holds other than indemnification claims (and 100% of any indemnification claims asserted under this Art. IV.F) against the Debtors until all other Holders of Claims are paid in full; *provided, however*, that in the event the D&O Carriers deny coverage to CEO or CCO under the D&O Insurance Policies on account of such subordination of any indemnification claim, then any indemnification claims by CEO or CCO shall not be so subordinated, but may be filed as an OpCo General Unsecured Claim.

CEO and CCO, each as insureds, under the D&O Liability Insurance Policies agree: (i) not to draw down on the Side-A Policy; *provided, however*, that should coverage continue to be available under the Side-A Policy following resolution of the Debtors' and/or the Wind-Down Entity's claims for the avoidance of the premium paid for the policy (whether by judgment or settlement or otherwise) such officer shall be entitled to seek coverage under the Side-A Policy to the extent any such coverage remains; and (ii) not to object to any settlement by the Debtors or Wind Down Entity of avoidance claims under the Side-A Policy, even if such settlement results in termination of benefits under the Side-A Policy. For the avoidance of doubt, this agreement is not intended to and shall not alter or amend each of the insureds' duties under the D&O Liability Insurance Policies. In the event that any insurer under the D&O Liability Insurance Policies denies coverage for any reason, the Wind-Down Entity shall have the right to bring a coverage claim against the insurer(s) in the name of the insured, the insureds shall reasonably cooperate with respect to any such claim, and the insured may participate at their election (and at their sole cost). For the avoidance of doubt, nothing contained in this Plan is intended as a waiver or release of the Debtors' and/or Wind-Down Entity's right to assert any Non-Released D&O Claim, but rather limits such recovery in the manner set forth above.

CEO and CCO shall be entitled to receive their salary and benefits for as long as they work for the Debtors and/or the Wind-Down Entity and retain the right to assert claims for advancement and

indemnification up to the limits of any available coverage in the event any of the insurers that issued the Management Liability Policy, the Excess Policy, or the Side-A Policy denies coverage to CEO and/or CCO based upon or arising out of the lack of a formal claim for indemnification; *provided, however*, that any such indemnification or advancement claims shall be subordinated in full unless and until all other Holders of Claims are paid in full; *provided, further*, that in the event that any of the D&O Carriers deny coverage to CEO or CCO under the D&O Insurance Policies on account of such subordination of any indemnification claim, then any indemnification claims by CEO or CCO shall not be so subordinated, but may be filed as an OpCo General Unsecured Claim.

CEO and CCO shall subordinate any and all rights and entitlements under the Cornerstone A-Side Management Liability Insurance Policy to Voyager Digital Ltd., Policy Number ELU184179-22, to any recovery by the Debtors and/or the Wind-Down Entity on account of the Debtors' and/or Wind-Down Entity's claims for the avoidance of the premium paid for the policy. For the avoidance of doubt, should coverage continue to be available under the Side-A Policy following resolution of the Debtors' and/or the Wind-Down Entity's claims for the avoidance of the premium paid for the policy (whether by judgment or settlement or otherwise), CEO and/or CCO shall be entitled to seek coverage under the Side-A Policy. CEO and CCO shall remain at, and continue performing the responsibilities of, their respective position(s) with the Debtors and assist with the Debtors' transition for at least 30 days from entry of the Confirmation Order; *provided* that CCO shall have no obligation to remain at his position with the Debtors beyond January 15, 2023 and the CEO shall have the right to pursue and engage in any employment opportunity, business venture, consulting arrangement, or investment that may become available; *provided, further*, that both the CEO and CCO shall be available to the Debtors and/or the Wind-Down Entity for a maximum of five hours per month for the one year following the Effective Date.

In the event that the sworn financial disclosure statements under penalty of perjury provided to the Debtors, the Special Committee and the Committee by CEO and CCO are later determined at any time by Final Order of the Bankruptcy Court or other court of competent jurisdiction to be materially inaccurate, (a) the limitations on recovery by the Wind-Down Entity under this Article IV.F shall no longer apply, (b) any and all release, exculpation and injunction provisions in Article VIII of this Plan with respect to CEO and/or CCO (as applicable) shall be deemed null and void, (c) all Releasing Parties' rights with respect to the CEO and/or CCO (as applicable) shall be fully intact and preserved, (d) amounts paid by CEO shall not be repaid by the Wind-Down Entity, and (e) any applicable statute of limitations shall be deemed tolled from the Petition Date to the date of entry of the order referenced above. The Wind-Down Trust, as successor to the Debtors, shall have standing to bring a motion seeking relief pursuant to this Article IV.F.

Entry of the Confirmation Order shall be deemed approval of the D&O Settlement and, to the extent not already approved by the Bankruptcy Court, the Debtors or the Wind-Down Debtors, as applicable, are authorized to negotiate, execute, and deliver those documents necessary or appropriate to effectuate the D&O Settlement, without further notice or order of the Bankruptcy Court, act or action under applicable law, regulation, order or rule or vote, consent, authorization, or approval of any Person, subject to such modifications as the Debtors, the Wind-Down Debtors, the Committee, and the Special Committee may deem to be necessary to effectuate the D&O Settlement.

G. Wind-Down Trust

On the Effective Date, the Wind-Down Trust shall be formed for the benefit of the Wind-Down Trust Beneficiaries and each of the Debtors shall transfer the Wind-Down Trust Assets for distribution in accordance with the terms of the Plan. The Confirmation Order shall be deemed to, pursuant to sections 363 and 1123 of the Bankruptcy Code, authorize, among other things, all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan.

1. Establishment of a Wind-Down Trust

Pursuant to the Wind-Down Trust Agreement, the Wind-Down Trust will be established. The Wind-Down Trust shall be the successor-in-interest to the Debtors, and the Wind-Down Trust shall be a successor to the Debtors' rights, title, and interest to the Wind-Down Trust Assets. The Wind-Down Trust will conduct no business operations and will be charged with winding down the Debtors' Estates. The Wind-Down Trust shall be managed by the Wind-Down Trustee and shall be subject to a Wind-Down Trust Oversight Committee. The Wind-Down Trust shall be administered in accordance with the terms of the Wind-Down Trust Agreement and shall be subject to the Wind-Down Reserve and the Non-Released D&O Claim Budget. For the avoidance of doubt, the Wind-Down Trust shall not have any right or interest in any Cause of Action or Claim constituting an Acquired Asset.

Prior to the Effective Date, any and all of the Debtors' assets shall remain assets of the Estates pursuant to section 1123(b)(3)(B) of the Bankruptcy Code and on the Effective Date the Wind-Down Trust Assets shall, subject to the Wind-Down Trust Agreement, be transferred to and vest in the Wind-Down Trust or the Wind-Down Debtors, as applicable. For the avoidance of doubt, to the extent not otherwise waived in writing, released, settled, compromised, assigned or sold pursuant to a prior order or the Plan, the Wind-Down Entity specifically retains and reserves the right to assert, after the Effective Date, any and all of the Vested Causes of Action and related rights, whether or not asserted as of the Effective Date, and all proceeds of the foregoing, subject to the terms of the Plan, including without limitation Article IV.E and Article IV.F.

Pursuant to section 1123(b)(3)(B) of the Bankruptcy Code, only the Wind-Down Trust and the Wind-Down Trustee shall have the right to pursue or not to pursue, or, subject to the terms hereof and the Wind-Down Trust Agreement, compromise or settle any Wind-Down Trust Assets transferred to the Wind-Down Trust. On and after the Effective Date, the Wind-Down Trust and the Wind-Down Trustee may, without further Bankruptcy Court approval, commence, litigate, and settle any Vested Causes of Action or Claims relating to any Wind-Down Trust Assets transferred to the Wind-Down Trust or rights to payment or Claims that belong to the Debtors as of the Effective Date or are instituted by the Wind-Down Trust or the Wind-Down Trustee on or after the Effective Date, except as otherwise expressly provided herein and in the Wind-Down Trust Agreement. All of the Wind-Down Trust's activities shall be subject to the Wind-Down Reserve and the Non-Released D&O Claim Budget. The Wind-Down Trust shall be entitled to enforce all defenses and counterclaims to all Claims asserted against the Debtors and their Estates, including setoff, recoupment and any rights under section 502(d) of the Bankruptcy Code.

The Wind-Down Trustee shall be deemed hereby substituted as plaintiff, defendant, or in any other capacity for the Debtors in any Causes of Action pending before the Bankruptcy Court or any other court that relates to a Wind-Down Trust Asset without the need for filing any motion for such relief. On the Effective Date, the Debtors and the Wind-Down Trustee shall execute the Wind-Down Trust Agreement and shall have established the Wind-Down Trust pursuant hereto. In the event of any conflict between the terms of this Article IV.G and the terms of the Wind-Down Trust Agreement, the terms of the Wind-Down Trust Agreement shall control.

2. Wind-Down Entity Assets

Notwithstanding any prohibition on assignability under applicable non-bankruptcy law, on the Effective Date and thereafter if additional Wind-Down Entity Assets become available, the Debtors shall be deemed, subject to the Wind-Down Trust Agreement, to have automatically transferred to the applicable Wind-Down Entity all of their right, title, and interest in and to all of the Wind-Down Trust Assets, in accordance with section 1141 of the Bankruptcy Code. All such assets shall automatically vest in the Wind-Down Entity free and clear of all Claims, Liens, and other interests, subject only to the Allowed

Claims and Interests as set forth herein and the expenses of the Wind-Down Trust as set forth herein and in the Wind-Down Trust Agreement. Thereupon, the Debtors shall have no interest in or with respect to the Wind-Down Entity Assets or the Wind-Down Trust.

3. Treatment of Wind-Down Trust for Federal Income Tax Purposes; No Successor-in-Interest

The Wind-Down Trust shall be established for the primary purpose of liquidating and distributing the Wind-Down Trust Assets transferred to it, in accordance with Treas. Reg. § 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Wind-Down Trust. Accordingly, the Wind-Down Trustee may, in an expeditious but orderly manner, liquidate the Wind-Down Trust Assets, make timely distributions to the Wind-Down Trust Beneficiaries and not unduly prolong its duration. The Wind-Down Trust shall not be deemed a successor-in-interest of the Debtors for any purpose other than as specifically set forth herein or in the Wind-Down Trust Agreement. The record holders of beneficial interests shall be recorded and set forth in a register maintained by the Wind-Down Trustee expressly for such purpose.

The Wind-Down Trust is intended to qualify as a “grantor trust” for federal income tax purposes to the extent reasonably practicable, with the Wind-Down Trust Beneficiaries treated as grantors and owners of the Wind-Down Trust. However, with respect to any of the assets of the Wind-Down Trust that are subject to potential disputed claims of ownership or uncertain distributions, *or* to the extent “liquidating trust” treatment is otherwise unavailable, the Debtors anticipate that such assets will be subject to disputed ownership fund treatment under Section 1.468B-9 of the Treasury Regulations, that any appropriate elections with respect thereto shall be made, and that such treatment will also be applied to the extent possible for state and local tax purposes. Under such treatment, a separate federal income tax return shall be filed with the IRS for any such account. Any taxes (including with respect to interest, if any, earned in the account) imposed on such account shall be paid out of the assets of the respective account (and reductions shall be made to amounts disbursed from the account to account for the need to pay such taxes).

4. Appointment of Wind-Down Trustee

The Wind-Down Trustee shall be selected by the Committee, in consultation with the Debtors, and shall be identified in the Plan Supplement. The appointment of the Wind-Down Trustee shall be approved in the Confirmation Order, and the Wind-Down Trustee’s duties shall commence as of the Effective Date. The Wind-Down Trustee shall administer the distributions to the Wind-Down Trust Beneficiaries and shall serve as a representative of the Estates under section 1123(b) of the Bankruptcy Code for the purpose of enforcing Vested Causes of Action belonging to the Estates that are not released, waived, settled, compromised, or transferred pursuant to the Plan and subject to the limitations set forth in the Plan, including Article IV.E and Article IV.F.

In accordance with the Wind-Down Trust Agreement, the Wind-Down Trustee shall serve in such capacity through the earlier of (i) the date on which the Wind-Down Trust is dissolved in accordance with the Wind-Down Trust Agreement, and (ii) the date on which a Wind-Down Trustee resigns, is terminated, or is otherwise unable to serve; *provided, however*, that, in the event that a Wind-Down Trustee resigns, is terminated, or is otherwise unable to serve, the Wind-Down Trust Oversight Committee shall appoint a successor to serve as a Wind-Down Trustee in accordance with the Wind-Down Trust Agreement. If the Wind-Down Trust Oversight Committee does not appoint a successor within the time periods specified in the Wind-Down Trust Agreement, then the Bankruptcy Court, upon the motion of any party-in-interest, including counsel to the Wind-Down Trust, shall approve a successor to serve as a Wind-Down Trustee.

5. Responsibilities of Wind-Down Trustee

Responsibilities of the Wind-Down Trustee shall be as identified in the Wind-Down Trust Agreement and shall include, but are not limited to:

- (a) Implementing the Wind-Down Trust, and making the distributions contemplated by the Plan;
- (b) Marshalling, marketing for sale, and wind-down of any of the Debtors' assets constituting Wind-Down Trust Assets;
- (c) Filing and prosecuting any objections to Claims or Interests or settling or otherwise compromising such Claims and Interests, if necessary and appropriate, in accordance with the Plan hereof;
- (d) Commencing, prosecuting, or settling claims and Vested Causes of Action;
- (e) Recovering and compelling turnover of the Debtors' property;
- (f) Prosecuting and settling the 3AC Claims;
- (g) Paying Wind-Down Trust Expenses;
- (h) Abandoning any Debtor assets that cannot be sold or otherwise disposed of for value and where a distribution to Holders of Allowed Claims or Interests would not be feasible or cost-effective in the Wind-Down Trustee's reasonable judgment;
- (i) Preparing and filing post-Effective Date operating reports (including the month in which the Effective Date occurs);
- (j) Filing appropriate tax returns in the exercise of the Wind-Down Trustee's fiduciary obligations;
- (k) Retaining such Professionals as are necessary and appropriate in furtherance of the Wind-Down Trustee's fiduciary obligations; and
- (l) Taking such actions as are necessary and reasonable to carry out the purposes of the Wind-Down Trust, including winding down the Debtors' business affairs.

6. The Wind-Down Trust Oversight Committee

The Wind-Down Trust Oversight Committee shall consist of those parties selected by the Committee and identified in the Plan Supplement, and which, at no time shall consist of greater than seven members.

The Wind-Down Trust Oversight Committee shall have the responsibility to review and advise the Wind-Down Trustee with respect to the liquidation and distribution of the Wind-Down Entity Assets transferred to the Wind-Down Trust in accordance herewith and the Wind-Down Trust Agreement. For the avoidance of doubt, in advising the Wind-Down Trustee, the Wind-Down Trust Oversight Committee shall maintain the same fiduciary responsibilities as the Wind-Down Trustee. Vacancies on the Wind-Down Trust Oversight Committee shall be filled by a Person designated by the remaining member or members of the Wind-Down Trust Oversight Committee from among the Holders of Account Holder Claims. The

Wind-Down Trustee shall have the authority to seek an order from the Bankruptcy Court removing or replacing members of the Wind-Down Trust Oversight Committee for cause.

7. Expenses of Wind-Down Trustee

The Wind-Down Trust Expenses shall be paid from the Wind-Down Trust Assets subject to the Wind-Down Reserve and the Non-Released D&O Claim Budget.

8. Insurance; Bond

The Wind-Down Trustee may obtain insurance coverage (in the form of an errors and omissions policy or otherwise) with respect to the liabilities and obligations of the Wind-Down Trustee and the Wind-Down Trust Oversight Committee under the Wind-Down Trust Agreement. Unless otherwise agreed to by the Wind-Down Trust Oversight Committee, the Wind-Down Trustee shall serve with a bond, the terms of which shall be agreed to by the Wind-Down Trust Oversight Committee, and the cost and expense of which shall be paid by the Wind-Down Trust.

9. Fiduciary Duties of the Wind-Down Trustee

Pursuant hereto and the Wind-Down Trust Agreement and the Wind-Down Trustee shall act in a fiduciary capacity on behalf of the interests of all Holders of Claims and Interests that will receive distributions pursuant to Plan.

10. Termination of the Wind-Down Trust

The Wind-Down Trust will terminate on the earlier of: (a) (i) the final liquidation, administration and distribution of the Wind-Down Trust Assets in accordance with the terms of the Wind-Down Trust Agreement and the Plan, and its full performance of all other duties and functions as set forth herein or in the Wind-Down Trust Agreement and (ii) the Chapter 11 Cases of the Debtors have been closed; or (b) the Wind-Down Trustee determines in its reasonable judgment that the Wind-Down Trust lacks sufficient assets and financial resources, after reasonable collection efforts, to complete the duties and powers assigned to him or her under the Plan, the Confirmation Order and/or the Wind-Down Trust Agreement. After (x) the final distributions pursuant hereto, (y) the Filing by or on behalf of the Wind-Down Trust of a certification of dissolution with the Bankruptcy Court, and (z) any other action deemed appropriate by the Wind-Down Trustee, the Wind-Down Trust shall be deemed dissolved for all purposes without the necessity for any other or further actions.

11. Liability of Wind-Down Trustee; Indemnification

Neither the Wind-Down Trustee, the Wind-Down Trust Oversight Committee, their respective members, employees, employers, designees or professionals, or any of their duly designated agents or representatives (each, a "Wind-Down Trust Party" and collectively, the "Wind-Down Trust Parties") shall be liable for losses, claims, damages, liabilities or expenses in connection with the affairs of the Wind-Down Trust or for the act or omission of any other Wind-Down Trust Party, nor shall the Wind-Down Trust Parties be liable for any act or omission taken or omitted to be taken pursuant to the discretion, powers and authority conferred, or in good faith believed to be conferred by the Wind-Down Trust Agreement or the Plan other than for specific acts or omissions resulting from such Wind-Down Trust Party's willful misconduct, gross negligence or actual fraud. Subject to the Wind-Down Trust Agreement, the Wind-Down Trustee shall be entitled to enjoy all of the rights, powers, immunities and privileges applicable to a chapter 7 trustee, and the Wind-Down Trust Oversight Committee shall be entitled to enjoy all of the rights, powers, immunities and privileges of an official committee of unsecured creditors. The Wind-Down Trustee or the

Wind-Down Trust Oversight Committee may, in connection with the performance of its functions, and in its sole and absolute discretion, consult with its attorneys, accountants, financial advisors and agents, and shall not be liable for any act taken, omitted to be taken, or suffered to be done in accordance with advice or opinions rendered by such persons, regardless of whether such advice or opinions are provided in writing. Notwithstanding such authority, neither the Wind-Down Trustee nor the Wind-Down Trust Oversight Committee shall be under any obligation to consult with its attorneys, accountants, financial advisors or agents, and their determination not to do so shall not result in the imposition of liability on the Wind-Down Trustee, the Wind-Down Trust Oversight Committee, or their respective members and/or designees, unless such determination is based on willful misconduct, gross negligence, or actual fraud. The Wind-Down Trust shall indemnify and hold harmless the Wind-Down Trust Parties (in their capacity as such), from and against and in respect of all liabilities, losses, damages, claims, costs and expenses (including, without limitation, reasonable attorneys' fees, disbursements, and related expenses) that such parties may incur or to which such parties may become subject in connection with any action, suit, proceeding or investigation brought by or threatened against such parties arising out of or due to their acts or omissions, or consequences of such acts or omissions, with respect to the implementation or administration of the Wind-Down Trust or the Plan or the discharge of their duties hereunder; *provided, however*, that no such indemnification will be made to such Persons for actions or omissions as a result of willful misconduct, gross negligence, or actual fraud. Persons dealing or having any relationship with the Wind-Down Trustee shall have recourse only to the Wind-Down Trust Assets and shall look only to the Wind-Down Trust Assets to satisfy any liability or other obligations incurred by the Wind-Down Trustee or the Wind-Down Trust Oversight Committee to such Person in carrying out the terms of the Wind-Down Trust Agreement, and neither the Wind-Down Trustee nor the Wind-Down Trust Oversight Committee, shall have any personal obligation to satisfy any such liability. The Wind-Down Trustee and/or the Wind-Down Trust Oversight Committee members shall not be liable whatsoever except for the performance of such duties and obligations as are specifically set forth herein, and no implied covenants or obligations shall be read into the Wind-Down Trust Agreement against any of them. The Wind-Down Trust shall promptly pay expenses reasonably incurred by any Wind-Down Trust Party in defending, participating in, or settling any action, proceeding or investigation in which such Wind-Down Trust Party is a party or is threatened to be made a party or otherwise is participating in connection with the Wind-Down Trust Agreement or the duties, acts or omissions of the Wind-Down Trustee or otherwise in connection with the affairs of the Wind-Down Trust, upon submission of invoices therefor, whether in advance of the final disposition of such action, proceeding, or investigation or otherwise. Each Wind-Down Trust Party hereby undertakes, and the Wind-Down Trust hereby accepts his or her undertaking, to repay any and all such amounts so advanced if it shall ultimately be determined that such exculpated party is not entitled to be indemnified therefor under the Wind-Down Trust Agreement. The foregoing indemnity in respect of any Wind-Down Trust Party shall survive the termination of such Wind-Down Trust Party from the capacity for which they are indemnified.

12. No Liability of the Wind-Down Trust.

On and after the Effective Date, the Wind-Down Trust shall have no liability on account of any Claims or Interests except as set forth herein and in the Wind-Down Trust Agreement. All payments and all distributions made by the Wind-Down Trustee hereunder shall be in exchange for all Claims or Interests against the Debtors.

H. Sources of Consideration for Plan Distributions

The Wind-Down Trust shall fund distributions under the Plan from the Wind-Down Trust Assets; *provided, however*, that Allowed Professional Fee Claims shall be paid from the Professional Fee Escrow Account in the first instance. The Wind-Down Trust Assets shall be used to pay the Wind-Down Trust Expenses (including the compensation of the Wind-Down Trustee and any professionals retained by the Wind-Down Trust), and to satisfy payment of Allowed Claims and Interests as set forth in the Plan.

I. Corporate Existence and Dissolution

Except as otherwise provided in the Plan, each Debtor shall continue to exist after the Effective Date as a separate corporate entity, limited liability company, partnership, or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form, as the case may be, pursuant to the applicable law in the jurisdiction in which each applicable Debtor is incorporated or formed and pursuant to the respective certificates or articles of incorporation, certificates of formation, certificates of organization, or certificates of limited partnership and bylaws, operating agreements, limited liability company agreements, or limited partnership agreements (or other formation documents) in effect prior to the Effective Date, except to the extent such certificates or articles of incorporation, certificates of formation, certificates of organization, or certificates of limited partnership and bylaws, operating agreements, limited liability company agreements, or limited partnership agreements (or other formation documents) are amended pursuant to the Plan or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings under applicable state or federal law).

On and after the Effective Date, the Wind-Down Entity will be authorized and directed to implement the Plan and any applicable orders of the Bankruptcy Court, and the Wind-Down Entity shall have the power and authority to take any action necessary to wind down and dissolve the Debtors' Estates.

As soon as practicable after the Effective Date, the Wind-Down Entity shall: (1) cause the Debtors to comply with, and abide by, the terms of the Asset Purchase Agreement, and any other documents contemplated thereby; (2) to the extent applicable, file a certificate of dissolution or equivalent document, together with all other necessary corporate and company documents, to effect the dissolution of the Wind-Down Debtors under the applicable laws of their state of incorporation or formation (as applicable); and (3) take such other actions as the Wind-Down Entity may determine to be necessary or desirable to carry out the purposes of the Plan. Any certificate of dissolution or equivalent document may be executed by the Wind-Down Entity on behalf of any Wind-Down Debtor without need for any action or approval by the shareholders or board of directors or managers of such Debtor. On and after the Effective Date, the Wind-Down Debtors (1) for all purposes shall be deemed to have withdrawn their business operations from any state in which the Debtors were previously conducting, or are registered or licensed to conduct, their business operations, and shall not be required to file any document, pay any sum, or take any other action in order to effectuate such withdrawal, (2) shall be deemed to have cancelled pursuant to this Plan all Interests, and (3) shall not be liable in any manner to any taxing authority for franchise, business, license, or similar taxes accruing on or after the Effective Date. Notwithstanding such Debtors' dissolution, such Debtors shall be deemed to remain intact solely with respect to the preparation, filing, review, and resolution of applications for Professional Fee Claims.

J. Corporate Action

Upon the Effective Date, all actions contemplated under the Plan shall be deemed authorized and approved in all respects, and, to the extent taken prior to the Effective Date, ratified without any requirement for further action by Holders of Claims or Interests, directors, managers, managing-members, limited or general partners, or officers of the Debtors, the Wind-Down Debtors, the Wind-Down Trust or any other Entity, including: (1) appointment of the directors, managers, members, and officers for the Wind-Down Debtors as provided herein; (2) the issuances, transfer, and distribution of the Wind-Down Trust Units; (3) the formation of the Wind-Down Trust and appointment of the Wind-Down Trustee and Wind-Down Trust Oversight Committee; (4) the formation of any entities pursuant to and the implementation of the Plan and performance of all actions and transactions contemplated hereby and thereby; (5) the rejection, assumption, or assumption and assignment, as applicable, of Executory Contracts and Unexpired Leases; and (6) all other acts or actions contemplated by the Plan or reasonably necessary or appropriate to promptly

consummate the Restructuring Transactions (including effectuating the Restructuring Transactions Memorandum and the Customer Migration Protocol) (whether to occur before, on, or after the Effective Date). All matters provided for in the Plan involving the corporate structure of the Debtors or the Wind-Down Debtors, as applicable, and any corporate action required by the Debtors or the Wind-Down Debtors, as applicable, in connection with the Plan shall be deemed to have occurred on, and shall be in effect as of, the Effective Date, without any requirement of further action by the security holders, directors, managers, or officers of the Debtors or the Wind-Down Debtors, as applicable. On or, as applicable, prior to the Effective Date, the appropriate officers of the Debtors or the Wind-Down Debtors or the Wind-Down Trust, as applicable, shall be authorized and, as applicable, directed to issue, execute, and deliver the agreements, documents, Securities, certificates of incorporation, certificates of formation, bylaws, operating agreements, and instruments contemplated under the Plan (or necessary or desirable to effect the transactions contemplated under the Plan) in the name of and on behalf of the Wind-Down Debtors, and any and all other agreements, documents, Securities, and instruments relating to the foregoing. The authorizations and approvals contemplated by this Article IV.J shall be effective notwithstanding any requirements under non-bankruptcy law.

K. Vesting of Assets in the Wind-Down Entity

Except as otherwise provided in the Plan, or in any agreement, instrument, or other document incorporated in the Plan, notwithstanding any prohibition of assignability under applicable non-bankruptcy law and in accordance with section 1141 of the Bankruptcy Code, on the Effective Date, all property constituting Wind-Down Trust Assets, including all Vested Causes of Action of the Debtors (unless otherwise released, waived, compromised, settled, transferred, or discharged pursuant to the Plan), and any property acquired by any of the Debtors under the Plan shall vest in the Wind-Down Entity, free and clear of all Liens, Claims, charges, or other encumbrances.

L. Cancellation of Notes, Instruments, Certificates, and Other Documents

On the later of the Effective Date and the date on which distributions are made pursuant to the Plan (if not made on the Effective Date), except for the purpose of evidencing a right to and allowing Holders of Claims and Interests to receive a distribution under the Plan or to the extent otherwise specifically provided for in the Plan, the Confirmation Order, or any agreement, instrument, or other document entered into in connection with or pursuant to the Plan or the Restructuring Transactions, all notes, bonds, indentures, certificates, Securities, shares, purchase rights, options, warrants, collateral agreements, subordination agreements, intercreditor agreements, or other instruments or documents directly or indirectly evidencing, creating, or relating to any indebtedness or obligations of, or ownership interest in, the Debtors, giving rise to any Claims against or Interests in the Debtors or to any rights or obligations relating to any Claims against or Interests in the Debtors shall be deemed cancelled without any need for a Holder to take further action with respect thereto.

M. Effectuating Documents; Further Transactions

On and after the Effective Date, the Wind-Down Debtors, and its directors, managers, partners, officers, authorized persons, and members thereof, and the Wind-Down Trust and Wind-Down Trustee are authorized to and may issue, execute, deliver, file, or record such contracts, Securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan, in the name of and on behalf of the Wind-Down Debtors, without the need for any approvals, authorizations, or consents except for those expressly required under the Plan.

N. Section 1146(a) Exemption

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Wind-Down Debtor, the Wind-Down Trust, the Purchaser, or to any other Entity) of property under the Plan or pursuant to: (1) the issuance, distribution, transfer, or exchange of any debt, equity security, or other interest in the Debtors or the Wind-Down Debtors; (2) the creation, modification, consolidation, termination, refinancing, and/or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means; (3) the making, assignment, or recording of any lease or sublease; or (4) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Plan, including the Asset Purchase Agreement, shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, real estate transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forgo the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or governmental assessment. All filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146(a) of the Bankruptcy Code, shall forgo the collection of any such tax or governmental assessment, and shall accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

O. Preservation of Rights of Action

In accordance with section 1123(b) of the Bankruptcy Code, the Wind-Down Entity shall succeed to all rights to commence and pursue any and all Vested Causes of Action of the Debtors, whether arising before or after the Petition Date, including, without limitation, any actions specifically enumerated in the Schedule of Retained Causes of Action other than Causes of Action released, waived, settled, compromised, or transferred. Such rights shall be preserved by the Debtors and Wind-Down Debtors and shall vest in the Wind-Down Entity, with the Wind-Down Entity's rights to commence, prosecute, or settle such Causes of Action preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action expressly released, waived, settled, compromised, or transferred by the Debtors pursuant to the releases and exculpations contained in the Plan, including in Article VIII of the Plan or pursuant to the Asset Purchase Agreement, which shall be deemed released and waived by the Debtors and Wind-Down Debtors as of the Effective Date.

The Wind-Down Trust may pursue such Causes of Action, as appropriate, in accordance with the best interests of the beneficiaries of the Wind-Down Trust and in accordance with the Wind-Down Trust Agreement and the Plan. **No Entity may rely on the absence of a specific reference in the Schedules of Assets and Liabilities or Statement of Financial Affairs, the Plan, the Plan Supplement, the Disclosure Statement, or the Schedule of Retained Causes of Action to any Cause of Action against it as any indication that the Debtors, the Wind-Down Debtors or the Wind-Down Trust, as applicable, will not pursue any and all available Causes of Action of the Debtors against it. The Wind-Down Trust, on behalf of the Debtors and the Wind-Down Debtors, expressly reserves all rights to prosecute any and all Causes of Action against any Entity, except as otherwise provided in the Plan, including Article VIII of the Plan.** Unless any Cause of Action of the Debtors is expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or pursuant to a Final Order, the Wind-Down Trust, on behalf of the Debtors and Wind-Down Debtors and in accordance with the Wind-Down Trust Agreement, expressly reserves all such Causes of Action for later adjudication, and, therefore, no preclusion

doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of Confirmation or Consummation.

The Wind-Down Trust, on behalf of the Debtors and Wind-Down Debtors, reserves and shall retain such Causes of Action of the Debtors notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Cause of Action that a Debtor may hold against any Entity shall vest in the Wind-Down Trust, except as otherwise provided in the Plan, including Article VIII of the Plan. The Wind-Down Trust, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Wind-Down Trust shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action, or to decline to do any of the foregoing, without the consent or approval of any third party or any further notice to or action, order, or approval of the Bankruptcy Court in accordance with the Plan.

P. Election to Contribute Third-Party Claims

Because aggregating all Contributed Third-Party Claims may enable the pursuit and settlement of such litigation claims in a more efficient and effective manner, each Holder of a Claim or Interest may agree, by electing on its ballot or opt-in form, to contribute its Contributed Third-Party Claims to the Wind-Down Entity. By electing such option on its ballot or opt-in form, each Contributing Claimant agrees that, subject to the occurrence of the Effective Date and the formation of the Wind-Down Entity, it will be deemed, without further action, (i) to have irrevocably contributed its Contributed Third-Party Claims to the Wind-Down Entity, and (ii) to have agreed to execute any documents reasonably requested by the Debtors or the Wind-Down Entity to memorialize and effectuate such contribution.

Q. Contribution of Contributed Third-Party Claims

On the Effective Date, all Contributed Third-Party Claims will be irrevocably contributed to the Wind-Down Entity and shall thereafter be Wind-Down Trust Assets for all purposes. No Person may rely on the absence of a specific reference in the Plan, the Disclosure Statement, the Confirmation Order, the Wind-Down Trust Agreement, the Plan Supplement, or any other document as any indication that the Wind-Down Trust will or will not pursue any and all available Contributed Third-Party Claims against such Person. The Wind-Down Trust shall have, retain, reserve, and be entitled to assert all Contributed Third-Party Claims fully to the same extent that the Contributing Claimants could have asserted such claims prior to the Effective Date. For the avoidance of doubt, the Contributed Third-Party Claims shall not include the rights of any of the Contributing Claimants to receive the distributions under the Plan on account of their Claims or Interests.

R. Closing the Chapter 11 Cases

On and after the Effective Date, the Wind-Down Entity shall be permitted to classify all of the Chapter 11 Cases of the Debtors except for the Chapter 11 Case of Voyager Digital, LLC, or any other Debtor identified in the Restructuring Transactions Memorandum as having its Chapter 11 Case remain open following the Effective Date, as closed, and all contested matters relating to any of the Debtors, including objections to Claims or Interests and any adversary proceedings, may be administered and heard in the Chapter 11 Case of Voyager Digital, LLC, or any other Debtor identified in the Restructuring Transactions Memorandum as having its Chapter 11 Case remain open following the Effective Date,

irrespective of whether such Claims or Interests were Filed or such adversary proceeding was commenced against a Debtor whose Chapter 11 Case was closed.

ARTICLE V.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Assumption and Rejection of Executory Contracts and Unexpired Leases

On the Effective Date, except as otherwise provided herein, each Executory Contract and Unexpired Lease not previously rejected, assumed, or assumed and assigned, including any employee benefit plans, severance plans, and other Executory Contracts under which employee obligations arise, shall be deemed automatically rejected pursuant to sections 365 and 1123 of the Bankruptcy Code, unless such Executory Contract or Unexpired Lease: (1) is specifically described in the Plan as to be assumed in connection with confirmation of the Plan, or is specifically scheduled to be assumed or assumed and assigned pursuant to the Plan or the Plan Supplement; (2) is subject to a pending motion to assume such Unexpired Lease or Executory Contract as of the Effective Date; (3) is to be assumed by the Debtors or assumed by the Debtors and assigned to another third party, as applicable, in connection with the Sale Transaction; (4) is a contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan; or (5) is a D&O Liability Insurance Policy other than the Side-A Policy. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such assumptions, assignments, and rejections, including the assumption of the Executory Contracts or Unexpired Leases as provided in the Plan Supplement, pursuant to sections 365(a) and 1123 of the Bankruptcy Code.

B. Preexisting Obligations to the Debtors Under Executory Contracts and Unexpired Leases

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors or the Wind-Down Debtors, as applicable, under such Executory Contract or Unexpired Lease. Without limiting the general nature of the foregoing, and notwithstanding any non-bankruptcy law to the contrary, the Debtors and Wind-Down Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased by the Debtors contracting from non-Debtor counterparties to any rejected Executory Contract or Unexpired Lease.

C. Claims Based on Rejection of Executory Contracts or Unexpired Leases

Counterparties to Executory Contracts or Unexpired Leases listed subject to rejection under the Plan shall be served with a notice of rejection of Executory Contracts and Unexpired Leases with the Plan Supplement. Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Claims, Noticing, and Solicitation Agent and served on the Debtors or Wind-Down Entity, as applicable, no later than thirty days after the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Bankruptcy Court within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, or the Wind-Down Entity, the Estates, or their property without the need for any objection by the Wind-Down Entity or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed released, and be subject to the permanent injunction set forth in Article VIII.D of the Plan, including any Claims against any**

Debtor listed on the Debtors' schedules as unliquidated, contingent, or disputed. All Allowed Claims arising from the rejection by any Debtor of any Executory Contract or Unexpired Lease shall be treated as General Unsecured Claims in accordance with Article III.C of the Plan.

D. Cure of Defaults for Executory Contracts and Unexpired Leases Assumed

The Debtors, the Wind-Down Entity, or the Purchaser, as applicable, shall pay Cures, if any, on the Effective Date. The Debtors shall provide notice of the amount and timing of payment of any such Cure to the parties to the applicable assumed Executory Contracts or Unexpired Leases as part of the Plan Supplement. Unless otherwise agreed upon in writing by the parties to the applicable Executory Contract or Unexpired Lease, all requests for payment of Cure that differ from the ordinary course amounts paid or proposed to be paid by the Debtors, the Wind-Down Entity, or the Purchaser shall be dealt with in the ordinary course of business and, if needed, shall be Filed with the Claims, Noticing, and Solicitation Agent on or before thirty days after the Effective Date. **If any counterparty to an Executory Contract or Unexpired Lease does not receive a notice of assumption and applicable cure amount, such counterparty shall have until on or before thirty days after the Effective Date to bring forth and File a request for payment of Cure.** Any such request that is not timely Filed shall be disallowed and forever barred, estopped, and enjoined from assertion, and shall not be enforceable against any Wind-Down Debtor or the Wind-Down Entity, without the need for any objection by the Wind-Down Entity or any other party in interest or any further notice to or action, order, or approval of the Bankruptcy Court. Any Cure shall be deemed fully satisfied, and released upon payment by the Debtors or the Wind-Down Entity or the Purchaser of the Cure in the ordinary course of business or upon and in accordance with any resolution of a Cure dispute (whether by order of the Bankruptcy Court or through settlement with the applicable Executory Contract or Unexpired Lease counterparty); *provided, however*, that nothing herein shall prevent the Wind-Down Entity or the Purchaser, as applicable, from paying any Cure Claim despite the failure of the relevant counterparty to File such request for payment of such Cure. The Wind-Down Entity or the Purchaser may also settle any Cure Claim without any further notice to or action, order, or approval of the Bankruptcy Court. In addition, any objection to the assumption of an Executory Contract or Unexpired Lease under the Plan must be Filed with the Bankruptcy Court on or before thirty days after the Effective Date. Any such objection will be scheduled to be heard by the Bankruptcy Court at the Debtors' first scheduled omnibus hearing for which such objection is timely Filed. Any counterparty to an Executory Contract or Unexpired Lease that fails to timely object to the proposed assumption of any Executory Contract or Unexpired Lease will be deemed to have consented to such assumption.

In the event of a dispute regarding: (1) the amount of any Cure Claim, (2) the ability of the Wind-Down Debtors, Purchaser, or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed (or assumed and assigned, as applicable), or (3) any other matter pertaining to assumption or assignment, then any disputed Cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made as soon as reasonably practicable following, and in accordance with, the entry of a Final Order of the Bankruptcy Court resolving such dispute or as may be agreed upon by the Debtors, the Wind-Down Entity, or Purchaser, as applicable, and the counterparty to the Executory Contract or Unexpired Lease, and any such unresolved dispute shall not prevent or delay implementation of the Plan or the occurrence of the Effective Date.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise or assignment of any Executory Contract or Unexpired Lease to the Purchaser and full payment of any applicable Cure pursuant to this Article V.D, or upon and in accordance with any resolution of a Cure dispute (whether by order of the Bankruptcy Court or through settlement with the applicable Executory Contract or Unexpired Lease counterparty), shall result in the full release and satisfaction of any Cures, Claims, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the

change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. **Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed or assumed and assigned in the Chapter 11 Cases, including pursuant to the Confirmation Order, and for which any Cure has been fully paid pursuant to this Article V.D, in the amount and at the time in the ordinary course of business or upon and in accordance with any resolution of a Cure dispute (whether by order of the Bankruptcy Court or through settlement with the applicable Executory Contract or Unexpired Lease counterparty), shall be deemed disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court. For the avoidance of doubt, in the event that any counterparty to an Executory Contract or Unexpired Lease receives a notice of assumption and applicable proposed Cure amount, and disputes the Debtors' proposed Cure amount, such party shall not be required to File a Proof of Claim with respect to such dispute. Any counterparty to an Executory Contract or Unexpired Lease that does not receive a notice or applicable proposed Cure amount, and believes a Cure amount is owed, shall have thirty days after the Effective Date to File a Proof of Claim with respect to such alleged Cure amount, which Claim shall not be expunged until such Cure dispute is resolved.**

E. Insurance Policies and Surety Bonds

Each D&O Liability Insurance Policy (including, without limitation, any "tail policy" and all agreements, documents, or instruments related thereto) other than the Side-A Policy shall be assumed, in their entirety, without the need for any further notice to or action, order, or approval of the Bankruptcy Court, as of the Effective Date, pursuant to sections 105 and 365 of the Bankruptcy Code with the Wind-Down Entity being authorized to pursue any proceeds thereof on behalf of the Debtors or the Wind-Down Entity. The Side-A Policy shall ride through these Chapter 11 Cases with the Debtors, and the Wind-Down Entity preserves all avoidance and other actions in connection with the premium paid thereunder. All beneficiaries under the D&O Insurance Policies reserve their rights under such D&O Insurance Policies subject to the limitations set forth in this Plan.

The Debtors or the Wind-Down Entity, as applicable, shall not terminate or otherwise reduce the coverage under any D&O Liability Insurance Policy (including, without limitation, any "tail policy" and all agreements, documents, or instruments related thereto) in effect prior to the Effective Date, and any current and former directors, officers, managers, and employees of the Debtors who served in such capacity at any time before or after the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy subject to the terms thereof regardless of whether such directors, officers, managers, and employees remain in such positions after the Effective Date. Notwithstanding anything to the contrary in the Plan, the Debtors or the Wind-Down Entity shall retain the ability to supplement such D&O Liability Insurance Policy as the Debtors or Wind-Down Entity may deem necessary, subject to the prior written consent of the Wind-Down Entity. Notwithstanding anything to the contrary contained in the Plan, the Wind-Down Trust shall be entitled to pursue avoidance of the premium paid for the XL Specialty Insurance Company Cornerstone A-Side Management Liability Insurance Policy No. ELU184179-22, and nothing in this Plan shall be deemed a waiver or abrogation of any such rights.

The Debtors shall continue to satisfy their obligations under their surety bonds and insurance policies in full and continue such programs in the ordinary course of business. Each of the Debtors' surety bonds and insurance policies, and any agreements, documents, or instruments relating thereto shall be treated as Executory Contracts under the Plan. On the Effective Date: (a) the Debtors shall be deemed to have assumed all such surety bonds and insurance policies and any agreements, documents, and instruments relating thereto in their entirety; *provided* that the Debtors have assumed all indemnity agreements and cash collateral agreements related to the surety bonds and (b) such surety bonds and insurance policies and any

agreements, documents, or instruments relating thereto shall revert in the applicable Wind-Down Debtor(s) unaltered.

F. Reservation of Rights

Nothing contained in the Plan or the Plan Supplement (unless otherwise explicitly provided) shall constitute an admission by the Debtors or any other party that any contract or lease is in fact an Executory Contract or Unexpired Lease or that any Wind-Down Debtor has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors or the Wind-Down Entity, as applicable, shall have forty-five days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease, including by rejecting such contract or lease effective as of the Confirmation Date.

G. Nonoccurrence of Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

H. Contracts and Leases Entered into After the Petition Date

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed under section 365 of the Bankruptcy Code, will be performed by the applicable Debtor or Wind-Down Debtor liable thereunder in the ordinary course of its business. Such contracts and leases that are not rejected under the Plan shall survive and remain unaffected by entry of the Confirmation Order.

ARTICLE VI.

PROVISIONS GOVERNING DISTRIBUTIONS

A. Timing and Calculation of Amounts to Be Distributed

Except (1) as otherwise provided herein, (2) upon a Final Order, or (3) as otherwise agreed to by the Debtors, the Purchaser, or the Wind-Down Entity, as the case may be, and the Holder of the applicable Claim, on the Effective Date or as soon as reasonably practicable thereafter (or if a Claim is not an Allowed Claim on the Effective Date, on the next Distribution Date after such Claim becomes, as applicable, an Allowed Claim, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim shall receive the full amount of distributions that the Plan provides for Allowed Claims in the applicable Class from the Distribution Agent. In the event that any payment or distribution under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or distribution may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. Except as specifically provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

B. Rights and Powers of Distribution Agent

1. Powers of the Distribution Agent

The Distribution Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties and exercise its rights under the Plan; (b) make all distributions contemplated under the Plan; (c) employ professionals to represent it with respect to its responsibilities and powers; and (d) exercise such other powers as may be vested in the Distribution Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Distribution Agent to be necessary and proper to implement the provisions of the Plan.

2. Expenses Incurred on or after the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Distribution Agent on or after the Effective Date and any reasonable compensation and expense reimbursement claims (including reasonable attorney and/or other professional fees and expenses) made by such Distribution Agent shall be paid in Cash by the Wind-Down Entity.

C. Delivery of Distributions and Undeliverable or Unclaimed Distributions

1. Distributions Generally

Except as otherwise provided in the Plan (including in paragraph 8 below), the Distribution Agent shall make distributions to Holders of Allowed Claims at the address for each such Holder as indicated on the applicable register or in the Debtors' records as of the date of any such distribution (as applicable), including the address set forth in any Proof of Claim filed by that Holder.

2. Distributions on Account of Obligations of Multiple Debtors

For all purposes associated with distributions under the Plan, all guarantees by any Debtor of the obligations of any other Debtor, as well as any joint and several liability of any Debtor with respect to any other Debtor, shall be deemed eliminated so that any obligation that could otherwise be asserted against more than one Debtor shall result in a single distribution under the Plan. Any such Claims shall be subject to all potential objections, defenses, and counterclaims, and to estimation pursuant to section 502(c) of the Bankruptcy Code.

3. Record Date of Distributions

On the Distribution Record Date, the various transfer registers for each Class of Claims or Interests as maintained by the Debtors or their respective agents shall be deemed closed, and there shall be no further changes in the record Holders of any Claims or Interests. The Distribution Agent shall have no obligation to recognize any transfer of Claims or Interests occurring on or after the Distribution Record Date. In addition, with respect to payment of any Cure amounts or disputes over any Cure amounts, neither the Debtors nor the Distribution Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable Executory Contract or Unexpired Lease as of the Effective Date, even if such non-Debtor party has sold, assigned, or otherwise transferred its Claim for a Cure amount.

4. Special Rules for Distributions to Holders of Disputed Claims and Interests

Notwithstanding any provision otherwise in the Plan and except as otherwise agreed to by the Wind-Down Entity, on the one hand, and the Holder of a Disputed Claim or Interest, on the other hand, or

as set forth in a Final Order, no partial payments and no partial distributions shall be made with respect to a Disputed Claim or Interest until all of the Disputed Claim or Interest has become an Allowed Claim or Interest or has otherwise been resolved by settlement or Final Order; *provided* that, if the Wind-Down Entity does not dispute a portion of an amount asserted pursuant to an otherwise Disputed Claim or Interest, the Distribution Agent may make a partial distribution on account of that portion of such Claim or Interest that is not Disputed at the time and in the manner that the Distribution Agent makes distributions to similarly situated Holders of Allowed Claims or Interests pursuant to the Plan. Any dividends or other distributions arising from property distributed to Holders of Allowed Claims or Interests, as applicable, in a Class and paid to such Holders under the Plan shall also be paid, in the applicable amounts, to any Holder of a Disputed Claim or Interest, as applicable, in such Class that becomes an Allowed Claim or Interest after the date or dates that such dividends or other distributions were earlier paid to Holders of Allowed Claims or Interests in such Class.

5. De Minimis Distributions; Minimum Distributions

The Distribution Agent shall not make any Cash distributions to any Holder of an Allowed Claim or Interest pursuant to Article III.C.1-11 of this Plan on account of such Allowed Claim or Interest if such distribution is valued, in the reasonable discretion of the Distribution Agent, at less than \$1.00, and each Holder of an Allowed Claim or Interest to which this limitation applies shall not be entitled to any distribution under the Plan. Notwithstanding anything to the contrary in this Plan, there shall be no minimum distribution threshold on account of distributions of any Cryptocurrency to Holders of Allowed Account Holder Claims and Allowed OpCo General Unsecured Claims.

6. Undeliverable Distributions and Unclaimed Property

In the event that either (a) a distribution to any Holder is returned as undeliverable or (b) the Holder of an Allowed Claim or Interest does not respond to a request by the Debtors or the Distribution Agent for information necessary to facilitate a particular distribution, no distribution to such Holder shall be made unless and until the Distribution Agent has determined the then-current address of such Holder or received the necessary information to facilitate a particular distribution, at which time such distribution shall be made to such Holder without interest, dividends, or other accruals of any kind; *provided* that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code on the date that is one year after the Effective Date. After such date, all unclaimed property or interests in property shall revert to the Wind-Down Entity automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable local, state, federal, or foreign escheat, abandoned, or unclaimed property laws to the contrary), and the Claim or Interest of any Holder to such property or interest in property shall not be entitled to any distributions under the Plan.

7. Manner of Payment Pursuant to the Plan

At the option of the Distribution Agent, any Cash payment to be made hereunder may be made by check, wire transfer, automated clearing house, credit card, or as otherwise provided in applicable agreements.

8. Transferred Cryptocurrency Value Distribution

The Transferred Cryptocurrency Value will be determined prior to the Effective Date pursuant to the Asset Purchase Agreement.

As a general matter, the Customer Migration Protocol will provide that Purchaser will make initial distributions to Transferred Creditors corresponding to their Pro Rata amounts of the Transferred

Cryptocurrency Value as contemplated in the Customer Migration Protocol. Subject to the conditions set forth in the Customer Migration Protocol, if a Transferred Creditor has become a Transferred Creditor prior to one Business Day prior to the Closing Date and Purchaser supports the Cryptocurrency maintained by such Transferred Creditor in such Transferred Creditor's Account (e.g., BTC, ETH), Purchaser will credit to such Transferred Creditor's FTX Account the Transferred Cryptocurrency Value in kind. Subject to the conditions set forth in the Customer Migration Protocol, if (i) Purchaser does not support the Cryptocurrency maintained by a Transferred Creditor in such Transferred Creditor's Account, (ii) a Transferred Creditor did not maintain Cryptocurrency in an Account or (iii) a Transferred Creditor becomes a Transferred Creditor after such date but before the final cut-off date 45 days after the Closing Date as contemplated in the Customer Migration Protocol, Purchaser will credit to the FTX Account of such Transferred Creditor USDC in an amount equal to the Transferred Cryptocurrency Value on a Pro Rata basis.

Following such initial distributions to Transferred Creditors, the remaining Cash available on account of the sale of Cryptocurrency to Purchaser under the Asset Purchase Agreement shall be paid by Purchaser to the Debtors and applied by the Debtors to make initial distributions of Transferred Cryptocurrency Value to Holders of Allowed Account Holder Claims and Allowed OpCo General Unsecured Claims that did not become Transferred Creditors by the cut-off date provided in the Customer Migration Protocol.

Purchaser shall have no responsibility to make any distributions other than the distributions to Transferred Creditors of their Pro Rata share of Transferred Cryptocurrency Value as contemplated by the Customer Migration Protocol. All other distributions shall be made by the Distribution Agent (other than Purchaser) or as the Distribution Agent (other than Purchaser) shall otherwise determine.

D. Compliance Matters

In connection with the Plan, to the extent applicable, the Debtors, the Wind-Down Entity, any Distribution Agent, and any other applicable withholding and reporting agents shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Debtors, the Wind-Down Entity, the Distribution Agent, and any other applicable withholding and reporting agents shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including wind-down a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms that are reasonable and appropriate; *provided* that the Wind-Down Entity and the Distribution Agent, as applicable, shall request appropriate documentation from the applicable distributees and allow such distributees a reasonable amount of time to respond. The Debtors, the Wind-Down Entity, the Distribution Agent, and any other applicable withholding and reporting agents reserve the right to allocate all distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support, and other spousal awards, liens, and encumbrances.

E. Foreign Currency Exchange Rate

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim, asserted in government issued currency (for the avoidance of doubt, not including any Cryptocurrency) other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using

the exchange rate for the applicable currency as published in The Wall Street Journal, National Edition, on the Effective Date.

F. Claims Paid or Payable by Third Parties

1. Claims Paid by Third Parties

The Debtors or the Wind-Down Entity, as applicable, shall reduce a Claim or Interest, and such Claim or Interest (or portion thereof) shall be disallowed without an objection to such Claim or Interest having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim or Interest receives a payment on account of such Claim or Interest from a party that is not a Debtor or Wind-Down Debtor (or other Distribution Agent), as applicable, including any payments made in connection with the Sale Transaction. To the extent a Holder of a Claim or Interest receives a distribution on account of such Claim or Interest and receives payment from a party that is not a Debtor or a Wind-Down Debtor (or other Distribution Agent), including payments made in connection with the Sale Transaction, as applicable, on account of such Claim or Interest, such Holder shall, within ten Business Days of receipt thereof, repay, return, or deliver any distribution held by or transferred to the Holder to the applicable Wind-Down Debtor to the extent the Holder's total recovery on account of such Claim or Interest from the third party and under the Plan exceeds the amount of such Claim or Interest as of the date of any such distribution under the Plan. The failure of such Holder to timely repay, return, or deliver such distribution shall result in the Holder owing the applicable Wind-Down Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the ten-Business Day grace period specified above until the amount is repaid.

2. Claims Payable by Third Parties

No distributions under the Plan shall be made on account of an Allowed Claim or Interest that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim or Interest has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim or Interest (if and to the extent adjudicated by a court of competent jurisdiction or otherwise settled), then immediately upon such payment, such Claim or Interest may be expunged or reduced on the Claims Register by the Claims, Noticing, and Solicitation Agent to the extent of any such payment without an objection to such Claim or Interest having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies

Except as otherwise provided herein, payments to Holders of Claims or Interests shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in the Plan shall constitute or be deemed a release, settlement, satisfaction, compromise, or waiver of any rights, defenses, or Cause of Action that the Debtors, the Wind-Down Entity or any other Entity may hold against any other Entity, including insurers, under any policies of insurance, agreements related thereto, or applicable indemnity, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any rights or defenses, including coverage defenses, held by such insurers under the applicable insurance policies, agreements related thereto, and applicable non-bankruptcy law.

G. Setoffs and Recoupment

Except as otherwise expressly provided for herein, each Debtor, Wind-Down Debtor, the Wind-Down Entity, or such Entity's designee as instructed by such Debtor, Wind-Down Entity, as applicable, may, pursuant to the Bankruptcy Code (including section 553 of the Bankruptcy Code),

applicable non-bankruptcy law, or as may be agreed to by the Holder of a Claim, set off against or recoup from an Allowed Claim and any distributions to be made pursuant to the Plan on account of such Allowed Claim, any Claims, rights, and Causes of Action of any nature whatsoever that the Debtor, Wind-Down Debtor or Wind-Down Entity, as applicable, may have against the Holder of such Allowed Claim, to the extent such Claims, rights, or Causes of Action have not been otherwise compromised, settled, or released on or prior to the Effective Date (whether pursuant to the Plan or otherwise). Notwithstanding the foregoing, except as expressly stated in Article VIII of this Plan, neither the failure to effect such a setoff or recoupment nor the allowance of any Claim pursuant to the Plan shall constitute a waiver or release by the Debtors or the Wind-Down Entity of any such Claims, rights, or Causes of Action the Debtors or the Wind-Down Entity may possess against such Holder.

H. Allocation between Principal and Accrued Interest

Except as otherwise provided herein, the aggregate consideration paid to Holders with respect to their Allowed Claims shall be treated pursuant to the Plan as allocated first to the principal amount of such Allowed Claims (to the extent thereof and as determined for federal income tax purposes) and second, to the extent the consideration exceeds the principal amount of the Allowed Claims, to the remaining portion of such Allowed Claim if any.

ARTICLE VII.

PROCEDURES FOR RESOLVING DISPUTED, CONTINGENT, AND UNLIQUIDATED CLAIMS AND INTERESTS

A. Disputed Claims Process

After the Effective Date, the Wind-Down Entity, and any party-in-interest, shall have and retain any and all rights and defenses the applicable Debtor had with respect to any Claim or Interest immediately before the Effective Date. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim or Interest shall become an Allowed Claim or Interest unless and until such Claim or Interest is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim or Interest. If a Holder of a Claim or Interest in Class disputes the amount of their Claim or Interest as listed in the Schedules, the Holder should notify the Debtors or the Wind-Down Entity of such dispute. If the Debtors and the Holder agree to an amended Claim amount prior to the Effective Date, the Debtors shall file amended Schedules prior to the Effective Date. If between the Confirmation Date and the Effective Date, the dispute cannot be consensually resolved, the Holder may seek (by letter to the Court) to have the claim or interest dispute resolved before the Bankruptcy Court (and, with the consent of the Debtors, before any other court or tribunal with jurisdiction over the parties). After the Effective Date, the creditor may seek to have the claim dispute resolved before the Bankruptcy Court or any other court or tribunal with jurisdiction over the parties.

Unless relating to a Claim or Interest expressly Allowed pursuant to the Plan, all Proofs of Claim filed in these Chapter 11 Cases shall be considered objected to and Disputed without further action by the Debtors. Upon the Effective Date, all Proofs of Claim filed against the Debtors, regardless of the time of filing, and including Proofs of Claim filed after the Effective Date, shall be deemed withdrawn and expunged, other than as provided below. Notwithstanding anything in this Plan to the contrary: (1) all Claims against the Debtors that result from the Debtors' rejection of an Executory Contract or Unexpired Lease; (2) Claims filed to dispute the amount of any proposed Cure pursuant to section 365 of the Bankruptcy Code; and (3) Claims that the Debtors seek to have determined by the Bankruptcy Court, shall

in all cases be determined by the Bankruptcy Court, if not otherwise resolved through settlement with the applicable claimant.

On the Effective Date, the Debtors or Wind-Down Trustee, as applicable, may establish one or more accounts or funds to hold and dispose of certain assets, pursue certain litigation (including the Causes of Action preserved under the Plan or otherwise vesting in the Wind-Down Trust), and/or satisfy certain Claims (including Claims that are contingent or have not yet been Allowed). For any such account or fund, the Debtors or the Wind-Down Trustee, as applicable, may take the position that grantor trust treatment applies in whole or in part. To the extent such treatment applies to any such account or fund, for all U.S. federal income tax purposes, the beneficiaries of any such account or fund would be treated as grantors and owners thereof, and it is intended, to the extent reasonably practicable, that any such account or fund would be classified as a liquidating trust under section 301.7701-4 of the Treasury Regulations. Alternatively, any such account or fund may be subject to the tax rules that apply to “disputed ownership funds” under 26 C.F.R. 1.468B-9. If such rules apply, such assets would be subject to entity-level taxation, and the Debtors and Wind-Down Trustee would be required to comply with the relevant rules.

B. Objections to Claims or Interests

Except as otherwise specifically provided in the Plan, after the Effective Date, the Wind-Down Entity shall have the sole authority to: (1) File, withdraw, or litigate to judgment, any objections to Claims or Interests; and (2) settle or compromise any Disputed Claim or Interest without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, the Wind-Down Entity shall have and retain any and all rights and defenses each such Debtor had immediately prior to the Effective Date with respect to any Disputed Claim or Interest, including the Causes of Action retained pursuant to Article IV.O of the Plan.

Any objections to Claims or Interests shall be Filed on or before the Claims Objection Bar Date. For the avoidance of doubt, the Bankruptcy Court may extend the time period to object to Claims or Interests set forth in this paragraph at any time, including before or after the expiration of one hundred eighty days after the Effective Date, in its discretion or upon request by the Debtors or any party in interest.

C. Estimation of Claims

Before or after the Effective Date, the Debtors or the Wind-Down Entity, as applicable, may (but are not required to), at any time, request that the Bankruptcy Court estimate any Disputed Claim or Interest that is contingent or unliquidated pursuant to applicable law, including pursuant to section 502(c) of the Bankruptcy Code, for any reason, regardless of whether any party previously has objected to such Disputed Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction under sections 157 and 1334 of the Judicial Code to estimate any such Disputed Claim or Interest, including during the litigation of any objection to any Disputed Claim or Interest or during the pendency of any appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Disputed Claim or Interest that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim or Interest, that estimated amount shall constitute a maximum limitation on such Claim or Interest for all purposes under the Plan (including for purposes of distributions) and may be used as evidence in any supplemental proceedings, and the Debtors or the Wind-Down Entity may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Disputed Claim or Interest that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion

requesting the right to seek such reconsideration on or before fourteen days after the date on which such Disputed Claim or Interest is estimated.

D. No Distributions Pending Allowance

Notwithstanding any other provision of the Plan, if any portion of a Claim or Interest is a Disputed Claim or Interest, no payment or distribution provided hereunder shall be made on account of such Claim or Interest unless and until such Disputed Claim or Interest becomes an Allowed Claim or Interest; *provided* that if only a portion of a Claim or Interest is Disputed, such Claim or Interest shall be deemed Allowed in the amount not Disputed and payment or distribution shall be made on account of such undisputed amount.

E. Distributions After Allowance

To the extent that a Disputed Claim or Interest ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim or Interest in accordance with the provisions of the Plan. As soon as reasonably practicable after the date that the order or judgment of the Bankruptcy Court Allowing any Disputed Claim or Interest becomes a Final Order, the Distribution Agent shall provide to the Holder of such Allowed Claim or Interest the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, without any interest, dividends, or accruals to be paid on account of such Allowed Claim or Interest unless required under applicable bankruptcy law.

F. No Interest

Unless otherwise specifically provided for herein or by Final Order of the Bankruptcy Court, postpetition interest shall not accrue or be paid on Claims against the Debtors, and no Holder of a Claim against the Debtors shall be entitled to interest accruing on or after the Petition Date on any such Claim. Additionally, and without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim.

G. Adjustment to Claims and Interests without Objection

Any Claim or Interest that has been paid, satisfied, amended, superseded, cancelled, or otherwise expunged (including pursuant to the Plan) may be adjusted or expunged on the Claims Register at the direction of the Wind-Down Entity without the Wind-Down Entity having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court. Additionally, any Claim or Interest that is duplicative or redundant with another Claim or Interest against the same Debtor may be adjusted or expunged on the Claims Register at the direction of the Wind-Down Entity without the Wind-Down Entity having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

H. Time to File Objections to Claims

Any objections to Claims shall be Filed on or before the Claims Objection Bar Date.

I. Disallowance of Claims or Interests

Any Claims or Interests held by Entities from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code or that is a transferee of a transfer avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, shall be deemed disallowed pursuant

to section 502(d) of the Bankruptcy Code, and Holders of such Claims may not receive any distributions on account of such Claims or Interests until such time as such Causes of Action against that Entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Debtors or the Wind-Down Entity, as applicable.

Except as otherwise provided herein or as agreed to by the Debtors or the Wind-Down Entity, any and all Proofs of Claim Filed after the Bar Date shall be deemed disallowed and expunged as of the Effective Date without any further notice to, or action, order, or approval of, the Bankruptcy Court, and Holders of such Claims may not receive any distributions on account of such Claims, unless such late Proof of Claim has been deemed timely Filed by a Final Order.

J. Amendments to Proofs of Claim

On or after the Effective Date, except as provided in the Plan or the Confirmation Order, a Proof of Claim or Proof of Interest may not be Filed or amended without the prior authorization of the Bankruptcy Court or the Wind-Down Entity, and any such new or amended Proof of Claim or Proof of Interest Filed shall be deemed disallowed in full and expunged without any further action, order, or approval of the Bankruptcy Court.

ARTICLE VIII.

EFFECT OF CONFIRMATION OF THE PLAN

A. Releases by the Debtors

Notwithstanding anything contained in the Plan to the contrary, on and after the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party is hereby conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged by each and all of the Debtors, the Wind-Down Debtors, and their Estates, the Wind-Down Entity, and in each case on behalf of themselves and their respective successors, assigns, and representatives, and any and all other Entities who may purport to assert any Cause of Action, directly or derivatively, by, through, for, or because of, the foregoing Entities, from any and all Causes of Action, including any derivative claims, asserted or assertable on behalf of any of the Debtors, whether known or unknown, foreseen or unforeseen, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise, that the Debtors would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof), their capital structure, the purchase, sale, or rescission of the purchase or sale of any Security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Chapter 11 Cases and related adversary proceedings, the Alameda Loan Facility, the Debtors' out-of-court restructuring efforts, intercompany transactions between or among a Debtor and another Debtor, the formulation, preparation, dissemination, negotiation, filing, or consummation of the Definitive Documents or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Definitive Documents, the pursuit of consummation of the Plan, the administration and implementation of the Restructuring Transactions or upon any other act or omission, transaction, agreement, event, or other occurrence related to the Debtors taking place on or before the Effective Date; *provided that*, subject to the D&O Settlement, nothing in this Article VIII.A shall be construed to release the

Released Parties from actual fraud, willful misconduct, or gross negligence as determined by a Final Order.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to section 1123(b) of the Bankruptcy Code and Bankruptcy Rule 9019, of the releases described in this Article VIII.A by the Debtors, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that each release described in this Article VIII.A is: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good-faith settlement and compromise of such Causes of Action; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; (6) a sound exercise of the Debtors' business judgment; and (7) except to the extent contemplated by Article IV.E and Article IV.F of the Plan, a bar to any of the Debtors or Wind-Down Debtors or their respective Estates or Wind-Down Entity asserting any Cause of Action related thereto, of any kind, against any of the Released Parties or their property.

Notwithstanding anything to the contrary contained herein, nothing in this Plan shall release, waive, or otherwise limit the (i) rights, duties, or obligations of the Purchaser under the Asset Purchase Agreement and (ii) the Non-Released D&O Claims, but such Non-Released D&O Claims shall remain subject to the limitations contained in Article IV.E and Article IV.F of this Plan.

B. Releases by Holders of Claims and Interests

Except as expressly set forth in the Plan, effective on the Effective Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party is hereby conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged by each and all of the Releasing Parties, in each case on behalf of themselves and their respective successors, assigns, and representatives, and any and all other Entities who may purport to assert any Cause of Action, from any and all Causes of Action, whether known or unknown, foreseen or unforeseen, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise, including any derivative claims asserted or assertable on behalf of any of the Debtors, that such Entity would have been legally entitled to assert in its own right (whether individually or collectively or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity), based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the management, ownership, or operation thereof), their capital structure, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Alameda Loan Facility, the Debtors' out-of-court restructuring efforts, intercompany transactions between or among a Debtor and another Debtor, the formulation, preparation, dissemination, negotiation, filing, or consummation of the Definitive Documents or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Definitive Documents, the pursuit of consummation of the Plan, the administration and implementation of the Restructuring Transactions, or upon any other act or omission, transaction, agreement, event, or other occurrence related to the Debtors taking place on or before the Effective Date, *provided* that nothing in this Article VIII.B shall be construed to release the Released Parties from actual fraud, willful misconduct, or gross negligence as determined by a Final Order.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases described in this Article VIII.B, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the

Bankruptcy Court's finding that each release described in this Article VIII.B is: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good-faith settlement and compromise of such Causes of Action; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; (6) a sound exercise of the Debtors' business judgment; and (7) except to the extent contemplated by Article IV.E and Article IV.F of the Plan, a bar to any of the Releasing Parties or the Debtors or Wind-Down Debtors or their respective Estates or Wind-Down Entity asserting any Cause of Action related thereto, of any kind, against any of the Released Parties or their property.

C. Exculpation

Effective as of the Effective Date, to the fullest extent permissible under applicable law and without affecting or limiting either the Debtor release or the third-party release, and except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur, and each Exculpated Party is exculpated from any Cause of Action for any act or omission arising on or after the Petition Date and prior to the Effective Date based on the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation or filing, or consummation of the Disclosure Statement, the Plan, the Special Committee Investigation, any Definitive Documents or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the Disclosure Statement or the Plan, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of consummation of the Plan, the administration and implementation of the Plan, including the issuance of Securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement (including, for the avoidance of doubt, providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order in lieu of such legal opinion), except for Causes of Action related to any act or omission that is determined in a Final Order of a court of competent jurisdiction to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan.

The Exculpated Parties have, and upon Consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes and distribution of consideration pursuant to the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan

D. Injunction

The assets of the Debtors and of the Wind-Down Entity shall be used for the satisfaction of expense obligations and the payment of Claims and Interests only in the manner set forth in this Plan and shall not be available for any other purpose. All Persons and Entities who have held, hold, or may hold Claims or Interests based upon any act, omission, transaction, or other activity of any kind or nature related to the Debtors, the Wind-Down Entity, or the Debtors' Chapter 11 Cases that occurred prior to the Effective Date, other than as expressly provided in the Plan or the Confirmation Order, shall be precluded and permanently enjoined on and after the Effective Date from interfering with the use and distribution of the Debtors' assets in the manner contemplated by the Plan.

In addition, as of the Effective Date and subject to the occurrence of the Effective Date, except as otherwise specifically provided in this Plan or the Confirmation Order, all Persons and Entities who have held, hold, or may hold Claims or Interests that are fully satisfied pursuant to the Plan or any Claim or Interest that is subject to the releases and exculpations set forth in Article VIII.B and Article VIII.C of this Plan shall be precluded and permanently enjoined on and after the Effective Date from enforcing, pursuing, or seeking any setoff or relief with respect to such Claims or Interests, except for the receipt of the payments or distributions that are contemplated by this Plan.

E. Release of Liens

Except as otherwise provided in the Plan, the Plan Supplement, or any contract, instrument, release, or other agreement or document created pursuant to the Plan or Confirmation Order on the Effective Date, and concurrently with the applicable distributions made pursuant to the Plan, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released, settled, and compromised, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Debtors shall automatically revert to the applicable Debtor or Wind-Down Debtor, as applicable, and their successors and assigns, in each case, without any further approval or order of the Bankruptcy Court and without any action or Filing being required to be made by the Debtors. Any Holder of such Secured Claim (and the applicable agents for such Holder) shall be authorized and directed to release any collateral or other property of any Debtor (including any cash collateral and possessory collateral) held by such Holder (and the applicable agents for such Holder), and to take such actions as requested by the Debtors or Wind-Down Entity to evidence the release of such Lien, including the execution, delivery, and filing or recording of such documents evidencing such releases. The presentation or filing of the Confirmation Order to or with any local, state, federal, or foreign agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

F. OSC and SEC

Notwithstanding any language to the contrary herein, no provision shall (a) preclude the OSC or the SEC from enforcing its police or regulatory powers; or (b) enjoin, limit, impair or delay the OSC or SEC from commencing or continuing any claims, causes of action, proceeding, or investigations against any non-Debtor person or non-Debtor entity in any forum.

G. Protection against Discriminatory Treatment

As provided by section 525 of the Bankruptcy Code, and consistent with paragraph 2 of Article VI of the United States Constitution, no Entity, including Governmental Units, shall discriminate against any Wind-Down Debtor or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, or discriminate with respect to such a grant against, any Wind-Down Debtor, or any Entity with which a Wind-Down Debtor has been or is associated, solely because such Wind-Down Debtor was a debtor under chapter 11 of the Bankruptcy Code, may have been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before such Debtor was granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

H. Document Retention

Upon the occurrence of the Effective Date, the Debtors' books and records shall be transferred to the Wind-Down Entity, which shall continue to preserve all financial books and records, emails, and other financial documents relating to the Debtors' business that are currently in the Debtors' possession. The

Wind-Down Trust shall not destroy or otherwise abandon any such documents or records without providing advance notice to the U.S. Securities and Exchange Commission (c/o Therese Scheuer, U.S. Securities and Exchange Commission, 100 F Street, NE, Washington, DC 20549, ScheuerT@SEC.GOV) and seeking further authorization from this Court. Nothing in this Plan or the Confirmation Order shall affect the obligations of the pre-Effective Date Debtors, the Wind-Down Entity, and/or any transferee or custodian to maintain all books and records that are subject to any governmental subpoena, document preservation letter, or other investigative request from a governmental agency.

I. Reimbursement or Contribution

If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever disallowed and expunged notwithstanding section 502(j) of the Bankruptcy Code, unless prior to the Confirmation Date: (1) such Claim has been adjudicated as non-contingent; or (2) the relevant Holder of a Claim has Filed a non-contingent Proof of Claim on account of such Claim and a Final Order has been entered prior to the Confirmation Date determining such Claim as no longer contingent.

J. Term of Injunctions or Stays

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code, or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order), shall remain in full force and effect until the Effective Date. **All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.**

ARTICLE IX.

CONDITIONS PRECEDENT TO THE EFFECTIVE DATE

A. Conditions Precedent to the Effective Date.

It shall be a condition to the Effective Date that the following conditions shall have been satisfied or waived pursuant to Article IX.B of the Plan:

1. The Bankruptcy Court shall have entered the Confirmation Order, which shall be in a form and substance reasonably satisfactory to the Debtors and the Committee, and subject to the consent rights of Purchaser under the Asset Purchase Agreement, and such order shall be a Final Order and in full force and effect.
2. The Debtors shall have obtained all authorizations, consents, regulatory approvals, rulings, or documents that are necessary to implement and effectuate the Plan.
3. Each Definitive Document and each other document contained in any supplement to the Plan, including the Plan Supplement and any exhibits, schedules, amendments, modifications or supplements thereto or other documents contained therein, shall have been executed or Filed, as applicable, in form and substance consistent in all respects with the Plan, and shall not have been modified in a manner inconsistent therewith;

4. The Professional Fee Escrow Account shall have been established and funded with Cash in accordance with Article II.B.2 of the Plan.
5. The Wind-Down Reserve shall have been established and funded with Cash in accordance with the Plan.
6. The Asset Purchase Agreement shall be in full force and effect and the Sale Transaction shall have been consummated.
7. The Restructuring Transactions shall have been consummated or shall be anticipated to be consummated concurrently with the occurrence of the Effective Date in a manner consistent with the Plan and the Customer Migration Protocol, and the Plan shall have been substantially consummated or shall be anticipated to be substantially consummated concurrently with the occurrence of the Effective Date.

B. Waiver of Conditions Precedent

The Debtors, with the consent of the Committee and, solely to the extent related to the Asset Purchase Agreement and the Sale Transaction, the consent of Purchaser, may waive any of the conditions to the Effective Date set forth in Article IX.A of the Plan at any time, without any notice to any other parties in interest and without any further notice to or action, order, or approval of the Bankruptcy Court, and without any formal action other than proceeding to confirm and consummate the Plan.

C. Effect of Non-Occurrence of Conditions to Consummation

If the Effective Date does not occur within 120 days after the Confirmation Date, then the Plan will be null and void in all respects, any and all compromises or settlements not previously approved by Final Order of the Bankruptcy Court embodied in the Plan (including with respect to the fixing, limiting, or treatment of any Claim or Interest, including, without limitation, the Alameda Loan Facility Claims), shall be deemed null and void, and nothing contained in the Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any Claims, Interests, or Causes of Action held by any Debtor or any other Entity; (2) prejudice in any manner the rights of any Debtor or any other Entity; or (3) constitute an admission, acknowledgment, offer, or undertaking of any sort by any Debtor or any other Entity in any respect.

ARTICLE X.

MODIFICATION, REVOCATION, OR WITHDRAWAL OF THE PLAN

A. Modification of Plan

Subject to the limitations and terms contained in the Plan and Purchaser's consent rights under the Asset Purchase Agreement, the Debtors, with the consent of the Committee, reserve the right to (1) amend or modify the Plan before the entry of the Confirmation Order, in accordance with the Bankruptcy Code and the Bankruptcy Rules and (2) after the entry of the Confirmation Order, the Debtors or the Wind-Down Entity, as applicable, may, upon order of the Bankruptcy Court, amend or modify the Plan, in accordance with section 1127(b) of the Bankruptcy Code, to remedy any defect or omission, or reconcile any inconsistency in the Plan in such manner as may be necessary to carry out the purpose and intent of the Plan consistent with the terms set forth herein.

B. Effect of Confirmation on Modifications

Entry of the Confirmation Order shall constitute approval of all modifications or amendments to the Plan occurring after the solicitation thereof pursuant to section 1127(a) of the Bankruptcy Code and a finding that such modifications to the Plan do not require additional disclosure or resolicitation under Bankruptcy Rule 3019.

C. Revocation or Withdrawal of Plan

The Debtors reserve the right, with the consent of the Committee, to revoke or withdraw the Plan with respect to any or all Debtors before the Confirmation Date and to File subsequent chapter 11 plans. If the Debtors revoke or withdraw the Plan, or if Confirmation or the Effective Date does not occur, then: (1) the Plan will be null and void in all respects; (2) any settlement or compromise not previously approved by Final Order of the Bankruptcy Court embodied in the Plan (including the fixing or limiting to an amount certain of the Claims or Classes of Claims), assumption or rejection of Executory Contracts or Unexpired Leases effectuated by the Plan, and any document or agreement executed pursuant to the Plan will be null and void in all respects; and (3) nothing contained in the Plan shall (a) constitute a waiver or release of any Claims, Interests, or Causes of Action by any Entity, (b) prejudice in any manner the rights of any Debtor or any other Entity, or (c) constitute an admission, acknowledgement, offer, or undertaking of any sort by any Debtor or any other Entity.

ARTICLE XI.

RETENTION OF JURISDICTION

Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, the Bankruptcy Court shall retain exclusive jurisdiction over all matters arising out of, or related to, the Chapter 11 Cases and the Plan pursuant to sections 105(a) and 1142 of the Bankruptcy Code, including jurisdiction to:

1. Allow, disallow, determine, liquidate, classify, estimate, or establish the priority, Secured or unsecured status, or amount of any Claim or Interest, including the resolution of any request for payment of any Administrative Claim and the resolution of any and all objections to the Secured or unsecured status, priority, amount, or allowance of Claims or Interests;

4. ensure that distributions to Holders of Allowed Claims and Allowed Interests are accomplished pursuant to the provisions of the Plan and adjudicate any and all disputes arising from or relating to distributions under the Plan;

5. adjudicate, decide, or resolve any motions, adversary proceedings, contested or litigated matters, and any other matters, and grant or deny any applications involving a Debtor or the Estates that may be pending on the Effective Date;
6. enter and implement such orders as may be necessary or appropriate to execute, implement, or consummate the provisions of (a) contracts, instruments, releases, and other agreements or documents approved by Final Order in the Chapter 11 Cases and (b) the Plan, the Confirmation Order, and contracts, instruments, releases, and other agreements or documents created in connection with the Plan; *provided* that the Bankruptcy Court shall not retain jurisdiction over disputes concerning documents contained in the Plan Supplement that have a jurisdictional, forum selection, or dispute resolution clause that refers disputes to a different court;
7. enter and enforce any order for the sale of property pursuant to sections 363, 1123, or 1146(a) of the Bankruptcy Code;
8. grant any consensual request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code;
9. issue injunctions, enter and implement other orders, or take such other actions as may be necessary or appropriate to restrain interference by any Entity with Consummation or enforcement of the Plan;
10. hear, determine, and resolve any cases, matters, controversies, suits, disputes, or Causes of Action in connection with or in any way related to the Chapter 11 Cases, including: (a) with respect to the repayment or return of distributions and the recovery of additional amounts owed by the Holder of a Claim or an Interest for amounts not timely repaid pursuant to Article VI of the Plan; (b) with respect to the releases, injunctions, and other provisions contained in Article VIII of the Plan, including entry of such orders as may be necessary or appropriate to implement such releases, injunctions, and other provisions; (c) anything that may arise in connection with the Consummation, interpretation, implementation, or enforcement of the Plan and the Confirmation Order; or (d) related to section 1141 of the Bankruptcy Code;
11. enter and implement such orders as are necessary or appropriate if the Confirmation Order is for any reason modified, stayed, reversed, revoked, or vacated;

15. hear and determine matters concerning local, state, federal, and foreign taxes in accordance with sections 346, 505, and 1146 of the Bankruptcy Code;
16. enter an order or Final Decree concluding or closing the Chapter 11 Cases;
17. enforce all orders previously entered by the Bankruptcy Court; and

18. hear and determine any other matters related to the Chapter 11 Cases and not inconsistent with the Bankruptcy Code or the Judicial Code.

Nothing herein limits the jurisdiction of the Bankruptcy Court to interpret and enforce the Plan and all contracts, instruments, releases, and other agreements or documents created in connection with the Plan, or the Disclosure Statement, without regard to whether the controversy with respect to which such interpretation or enforcement relates may be pending in any state or other federal court of competent jurisdiction.

If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising in, arising under, or related to the Chapter 11 Cases, including the matters set forth in this Article XI, the provisions of this Article XI shall have no effect on and shall not control, limit, or prohibit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

Unless otherwise specifically provided herein or in a prior order of the Bankruptcy Court, the Bankruptcy Court shall have exclusive jurisdiction to hear and determine disputes concerning Claims against or Interests in the Debtors that arose prior to the Effective Date.

ARTICLE XII.

MISCELLANEOUS PROVISIONS

A. Immediate Binding Effect

Notwithstanding Bankruptcy Rules 3020(e), 6004(h), or 7062 or otherwise, upon the occurrence of the Effective Date, the terms of the Plan shall be immediately effective and enforceable and deemed binding upon the Debtors, the Wind-Down Entity, and any and all Holders of Claims or Interests (irrespective of whether such Claims or Interests are deemed to have accepted the Plan), all Entities that are parties to or are subject to the settlements, compromises, releases, discharges, exculpations, and injunctions described in the Plan, each Entity acquiring property under the Plan, and any and all non-Debtor parties to Executory Contracts and Unexpired Leases with the Debtors. All Claims against and Interests in the Debtors shall be as fixed, adjusted, or compromised, as applicable, pursuant to the Plan regardless of whether any Holder of a Claim or Interest has voted on the Plan.

B. Additional Documents

On or before the Effective Date, the Debtors may File with the Bankruptcy Court such agreements and other documents as may be necessary or appropriate to effectuate and further evidence the terms and conditions of the Plan. The Debtors, the Wind-Down Entity, and all Holders of Claims and Interests receiving distributions pursuant to the Plan and all other parties in interest shall, from time to time, prepare, execute, and deliver any agreements or documents and take any other actions as may be necessary or advisable to effectuate the provisions and intent of the Plan.

C. Payment of Statutory Fees

All fees and applicable interest payable pursuant to section 1930 of the Judicial Code and 31 U.S.C. § 3717, as applicable, as determined by the Bankruptcy Court at a hearing pursuant to section 1128 of the Bankruptcy Code, shall be paid by each of the Wind-Down Debtors (or the Distribution Agent on behalf of the Wind-Down Entity) for each quarter (including any fraction thereof) until the Chapter 11 Cases are converted, dismissed, or a Final Decree is issued, whichever occurs first.

D. Dissolution of Statutory Committees

On the Effective Date, any statutory committee appointed in the Chapter 11 Cases shall dissolve, and the members thereof shall be released and discharged from all rights and duties arising from, or related to, the Chapter 11 Cases; *provided, however*, that such committees will remain in existence for the limited purposes of (a) pursuing, supporting, or otherwise participating in, any outstanding appeals in the Chapter 11 Cases; and (b) filing, objecting, or otherwise participating in, any final fee applications of Professionals.

E. Reservation of Rights

Except as expressly set forth herein, the Plan shall have no force or effect unless the Bankruptcy Court shall enter the Confirmation Order, and the Confirmation Order shall have no force or effect if the Effective Date does not occur. None of the Filing of the Plan, any statement or provision contained in the Plan, or the taking of any action by any Debtor with respect to the Plan, the Disclosure Statement, or the Plan Supplement shall be or shall be deemed to be an admission or waiver of any rights of any Debtor with respect to the Holders of Claims or Interests, unless and until the Effective Date has occurred.

F. Successors and Assigns

Liquidation Analysis

LIQUIDATION ANALYSIS FOR VOYAGER DIGITAL HOLDINGS, INC., et al.¹

I. INTRODUCTION

Under the “best interests of creditors” test set forth in section 1129(a)(7) of the Bankruptcy Code, a bankruptcy court may not confirm a plan under chapter 11 of the Bankruptcy Code unless each holder of an allowed claim or interest in an impaired class either: (a) accepts the plan; or (b) will receive or retain property on account of such claim or interest of a value, as of the effective date of the plan, that is not less than the amount such holder would receive or retain if the debtor were liquidated under chapter 7 of the Bankruptcy Code.

To demonstrate that the proposed plan satisfies the “best interests of creditors” test, the Debtors, with the assistance of their advisors, have prepared the following hypothetical liquidation analysis presenting recoveries available assuming a hypothetical liquidation (the “Liquidation Analysis”), which is based upon certain assumptions discussed in the Disclosure Statement and in the accompanying notes to this Liquidation Analysis.

This Liquidation Analysis sets forth an estimated range of recovery values for each Class of Claims and Interests that may be realizable upon the disposition of assets pursuant to a hypothetical chapter 7 liquidation of the Debtors’ estates. As illustrated by this Liquidation Analysis, Holders of Claims in certain Unimpaired Classes that would receive a full recovery under the Plan would receive less than a full recovery in a hypothetical liquidation. Additionally, Holders of Claims or Interests in Impaired Classes would receive a lower recovery in a hypothetical liquidation than they would under the Plan. Further, no Holder of a Claim or Interest would receive or retain property under the Plan of a value that is less than such Holder would receive in a hypothetical chapter 7 liquidation. Accordingly, and as set forth in greater detail below, the Debtors believe that the Plan satisfies the “best interests of creditors” test set forth in section 1129(a)(7) of the Bankruptcy Code.

Statement of Limitations

The preparation of a liquidation analysis is an uncertain process involving the extensive use of significant estimates and assumptions that, although considered reasonable by the Debtors based upon their business judgment and input from their advisors, are inherently subject to significant business, economic, and competitive uncertainties and contingencies beyond the control of the Debtors, their management, and their advisors. Inevitably, some assumptions in this Liquidation Analysis would not materialize in an actual chapter 7 liquidation, and unanticipated events and circumstances could materially affect the ultimate results in an actual chapter 7 liquidation. This Liquidation Analysis was prepared for the sole purpose of generating a reasonable, good faith estimate of the proceeds that would be generated if the Debtors’ assets were liquidated in accordance with chapter 7 of the Bankruptcy Code. This Liquidation Analysis is not intended and should not be used for any other purpose. The underlying financial information in this Liquidation Analysis and values stated herein have not been subject to any review, compilation, or audit by any independent accounting firm. In addition, various liquidation decisions upon which certain assumptions are based are subject to change. As a result, the actual amount of Claims that would ultimately be Allowed against the Debtors’ estates could vary significantly from the estimates stated herein, depending on the nature and amount of Claims asserted during the pendency of the hypothetical chapter 7 cases. Similarly, the value of the Debtors’ assets in a liquidation scenario is uncertain and could vary significantly from the values set forth in this Liquidation Analysis.

NEITHER THE DEBTORS NOR THEIR ADVISORS MAKE ANY REPRESENTATION OR WARRANTY THAT THE ACTUAL RESULTS OF A CHAPTER 7 LIQUIDATION OF THE DEBTORS’ ESTATES WOULD OR WOULD NOT, IN WHOLE OR IN PART, APPROXIMATE THE ESTIMATES AND ASSUMPTIONS REPRESENTED IN THIS LIQUIDATION ANALYSIS. THE ACTUAL LIQUIDATION VALUE

¹ Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the *First Amended Disclosure Statement Relating to the Second Amended Joint Plan of Voyager Digital Holdings, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* (the “Disclosure Statement”).

OF THE DEBTORS' ESTATES IS SPECULATIVE AND RESULTS COULD VARY MATERIALLY FROM ESTIMATES PROVIDED IN THIS LIQUIDATION ANALYSIS.

THE RECOVERIES SHOWN DO NOT CONTEMPLATE A SALE OR SALES OF THE DEBTORS' BUSINESS UNITS ON A GOING CONCERN BASIS. WHILE THE DEBTORS MAKE NO ASSURANCES, IT IS POSSIBLE THAT PROCEEDS RECEIVED FROM SUCH GOING CONCERN SALE(S) WOULD BE MORE THAN IN THE HYPOTHETICAL LIQUIDATION, THE COSTS ASSOCIATED WITH THE SALE(S) WOULD BE LESS, FEWER CLAIMS WOULD BE ASSERTED AGAINST THE BANKRUPTCY ESTATES AND/OR CERTAIN ORDINARY COURSE CLAIMS WOULD BE ASSUMED BY THE BUYER(S) OF SUCH BUSINESS(ES).

THIS LIQUIDATION ANALYSIS IS A HYPOTHETICAL EXERCISE THAT HAS BEEN PREPARED FOR THE SOLE PURPOSE OF PRESENTING A REASONABLE, GOOD FAITH ESTIMATE OF THE PROCEEDS THAT WOULD BE REALIZED IF THE DEBTORS WERE LIQUIDATED IN ACCORDANCE WITH CHAPTER 7 OF THE BANKRUPTCY CODE AS OF THE PLAN EFFECTIVE DATE. THIS LIQUIDATION ANALYSIS IS NOT INTENDED AND SHOULD NOT BE USED FOR ANY OTHER PURPOSE. THIS LIQUIDATION ANALYSIS DOES NOT PURPORT TO BE A VALUATION OF THE DEBTORS' ASSETS AS A GOING CONCERN, AND THERE MAY BE A SIGNIFICANT DIFFERENCE BETWEEN THIS LIQUIDATION ANALYSIS AND THE VALUES THAT MAY BE REALIZED OR CLAIMS GENERATED IN AN ACTUAL LIQUIDATION. NOTHING CONTAINED IN THIS LIQUIDATION ANALYSIS IS INTENDED TO BE, OR CONSTITUTES, A CONCESSION, ADMISSION, OR ALLOWANCE OF ANY CLAIM AGAINST OR INTEREST IN THE DEBTORS. THE ACTUAL AMOUNT OR PRIORITY OF ALLOWED CLAIMS AND INTERESTS IN THE CHAPTER 11 CASES COULD MATERIALLY DIFFER FROM THE ESTIMATED AMOUNTS SET FORTH AND USED IN THIS LIQUIDATION ANALYSIS. THE DEBTORS RESERVE ALL RIGHTS TO SUPPLEMENT, MODIFY, OR AMEND THE ANALYSIS SET FORTH HEREIN.

Basis of Presentation

This Liquidation Analysis has been prepared assuming that the Debtors convert their current chapter 11 cases to cases under chapter 7 of the Bankruptcy Code on or about December 31, 2022 (the "Conversion Date"). Except as otherwise noted herein, this Liquidation Analysis is based upon the unaudited balance sheets of the Debtors as of August 31, 2022, and those values, in total, are assumed to be representative of the Debtors' assets and liabilities as of the Conversion Date. Certain balances, including cash and cryptocurrency, and expenses have been projected forward or estimated as of the Conversion Date. As noted above, the assets available to the Debtors in an actual liquidation may differ from the assets assumed to be available pursuant to this Liquidation Analysis.

In preparing this Liquidation Analysis, the Debtors estimated Allowed Claims based upon a review of the Debtors' financial statements. In addition, this Liquidation Analysis includes estimates for Claims not currently asserted in the chapter 11 cases, but which could be asserted and Allowed in a chapter 7 liquidation, including unpaid chapter 11 Administrative Claims, chapter 7 Administrative Claims such as liquidation and wind-down expenses, trustee fees, tax liabilities, and professional fees attributable to the liquidation and wind-down. To date, the Bankruptcy Court has not estimated or otherwise fixed the total amount of Allowed Claims that were used for purposes of preparing this Liquidation Analysis. Therefore, the Debtors' estimate of Allowed Claims set forth in this Liquidation Analysis should not be relied on for any other purpose, including determining the value of any distributions to be made on account of Allowed Claims and Interests under the Plan.

Conversion Date and Appointment of a Chapter 7 Trustee

This Liquidation Analysis assumes that on the Conversion Date, the Bankruptcy Court would appoint a chapter 7 trustee to oversee the liquidation of the Debtors' estates, during which time all of the Debtors' assets would be sold or surrendered and the cash proceeds, net of liquidation-related costs, would then be distributed to creditors in accordance with applicable law. There can be no assurance, however, that the liquidation would be completed within a certain timeframe, nor is there any assurance that the recoveries assigned to the assets would in fact be realized. In accordance with section 704 of the Bankruptcy Code, a trustee must, among other duties, collect and convert the property of the estate as expeditiously (generally at distressed prices) as is compatible with the best interests of parties in interest.

Deconsolidated Liquidations

This Liquidation Analysis assumes that the Debtors would be liquidated in a jointly administered, but not substantively consolidated proceeding, and takes into account the administrative priority status of intercompany claims arising post-petition. The results of this analysis have been consolidated for convenience.

Additional Global Notes and Assumptions

This Liquidation Analysis should be read in conjunction with the following global notes and assumptions:

1. Unaudited Financial Statements. This Liquidation Analysis contains numerous estimates. Except as otherwise noted herein, available recoveries are based upon the unaudited financial statements and balance sheets of the Debtors as projected as of the Conversion Date.
2. Chapter 7 Liquidation Costs. The Debtors have assumed that a hypothetical chapter 7 liquidation would last approximately 12 months, in order to pursue sales of substantially all remaining assets and collect receivables as well as to arrange distributions and otherwise administer and close the estates. In an actual liquidation, the length of the wind-down process could vary significantly, thereby impacting recoveries. Accordingly, there can be no assurance that the values reflected in this Liquidation Analysis would be realized if the Debtors were, in fact, to undergo such a liquidation.
3. Distribution of Net Proceeds. Pursuant to section 726 of the Bankruptcy Code, Allowed Administrative Claims incurred by the chapter 7 trustee, including expenses affiliated with selling the Debtors' assets, are entitled to payment in full prior to any distribution to chapter 11 Administrative Claims or Other Priority Claims. The estimate used in this Liquidation Analysis for these expenses includes estimates for operational expenses and certain legal, accounting, and other professionals, as well as an assumed 3.0% fee based upon liquidated assets payable to the chapter 7 trustee. Any remaining net Cash would then be distributed to creditors in accordance with applicable law in the following priority: (a) first to pay the Allowed Secured Tax Claims, (b) second to pay any Allowed Administrative Claims, Priority Tax Claims, and Other Priority Claims; and (c) third to creditors holding Account Holder Claims and General Unsecured Claims.

Under the absolute priority rule, no junior creditor at a given entity would receive any distribution until all senior creditors are paid in full at such entity, and no equity holder at such entity would receive any distribution until all creditors at such entity are paid in full. The assumed distributions to creditors as reflected in this Liquidation Analysis are estimated in accordance with the absolute priority rule.

4. Certain Exclusions and Assumptions. This Liquidation Analysis does not include detailed estimates for the tax consequences that may be triggered upon the liquidation and sale events included in the analysis. Such tax consequences may be material.

II. CONCLUSIONS

THE DEBTORS HAVE DETERMINED, AS SUMMARIZED IN THE FOLLOWING ANALYSIS, THAT CONFIRMATION OF THE PLAN WILL PROVIDE CREDITORS WITH A RECOVERY THAT IS GREATER THAN OR EQUAL TO WHAT THEY WOULD OTHERWISE RECEIVE IN CONNECTION WITH A LIQUIDATION OF THE DEBTORS UNDER CHAPTER 7 OF THE BANKRUPTCY CODE.

SUMMARY OF ESTIMATED RECOVERIES FOR CLAIMS AND INTERESTS

² *The Alameda Loan Facility Claims are contributed to OpCo pursuant to the terms of the Asset Purchase Agreement and OpCo shall be entitled to the recovery on account of the Alameda Loan Facility Claims under the Plan. This Liquidation Analysis assumes that the Asset Purchase Agreement is not consummated, the Alameda Loan Facility Claims are not settled and the Holder of the Alameda Loan Facility Claims receives a recovery.*

³ *The recovery to Intercompany Claims reflects the assumption for purposes of the recovery analysis that the Intercompany Obligation by HoldCo to TopCo under the Promissory Note is a valid loan and all other Intercompany Obligations are capital contributions. The Intercompany Obligations and the analysis related thereto are described in greater detail in Article V.C.2 of the Disclosure Statement.*

III. NOTES FOR PROCEEDS AVAILABLE FOR DISTRIBUTION

A. *Gross Liquidation Proceeds*

1. Cash and Cash Equivalents: This Liquidation Analysis projects the level of cash balances on hand from October 2, 2022 and represents the Debtor's best estimate of balances on hand at the Conversion Date. Balances are assumed to be recoverable at 100%. The cash balance does not reflect any cash proceeds or transaction fees from the Sale Transaction contemplated under the Plan.
2. Cryptocurrency Assets Held: Estimated cryptocurrency values at Conversion Date are based on a 20-day historical average of prices for the period ending September 29, 2022 and assumes certain illiquid cryptocurrencies are liquidated at a discount to account for market depth and trading dynamics. Asset recovery includes cryptocurrency assets loaned and expected to be returned from counterparties prior to the Conversion Date.
3. Other Assets / Investments (Non-Debtor): The Debtors have prepaid certain expenses, including but not limited to, professional fee retainers, licenses, engineering, software, marketing and various other contractual obligations. This Liquidation Analysis assumes that prepaid amounts will continue to be consumed during the liquidation period to offset against potential liabilities. The Debtors furthermore own equity investments in various private and public companies. The Liquidation Analysis reflects proceeds from the sale of these investments and assumes recovery rates between 0% and 100% across these positions depending on the liquidity of the investment.
4. Claims against 3AC Estate: The Debtors have a claim against 3AC related to a cryptocurrency loan of 15,250 BTC and 350,000,000 USDC made in 2022. The value of the claim is based on prices as of August 31, 2022. This Liquidation Analysis makes no assumption regarding recovery of this claim and is reflected as a 0% recovery for purposes of this presentation.
5. Intangible Assets: Intellectual property owned by the Debtors is comprised of goodwill, favorable leasehold interests, trademarks, patents, license agreements, and e-commerce registered domain names (collectively, the "Debtors' IP"). The Liquidation Analysis assumes no recovery value for the Debtors' IP.
6. Litigation Claims: Litigation claim recoveries are assumed to be the same under both the Plan and a Chapter 7 Liquidation and are not included for comparative purposes of this presentation.

B. *Liquidation Costs*

7. Chapter 7 Professional Fees: Professional fees include costs for financial advisors, attorneys, accountants, and other professionals retained by the chapter 7 trustee. Professional fees were estimated to be approximately \$7.4 million for the liquidation period, based on an estimate of approximately \$0.2 million to \$1.3 million per month with approximately 80% of the fees incurred in the first 6 months.
8. Chapter 7 Trustee Fees: In a Chapter 7 liquidation, the Bankruptcy Court may allow reasonable compensation for the trustee's services not to exceed a certain percentage of such proceeds greater than a set amount upon all proceeds disbursed or turned over in the case by the trustee to parties in interest. Chapter 7 trustee fees were estimated at 3% of proceeds from liquidation, excluding recoveries related to cash and cash equivalents.
9. Chapter 7 Estate Wind-Down Costs: During the chapter 7 liquidation period, the trustee will incur certain costs necessary to wind-down the estates. Such expenses include the cost of the Debtors' operating personnel to liquidate customer accounts, technology and platform operating costs, and ongoing support from the Debtors' management through a transition services agreement throughout the liquidation. For the entirety of the wind-down process, these costs have been estimated to be \$18.7 million.
10. 3AC Litigation Pursuit: The Debtors have a claim against 3AC related to a cryptocurrency loan of 15,250 BTC and 350,000,000 USDC made in 2022. This Liquidation Analysis makes no assumption regarding the cost of pursuit of recovery of this claim and therefore does not reflect the cost of any related litigation.

11. Other Fees: During the chapter 7 liquidation period the trustee will incur miscellaneous expenses including temporary labor costs, insurance, document management costs and banking fees, among others. For the entirety of the chapter 7 process, these costs have been estimated to be approximately \$1.5 million.

C. Claims

12. Secured Tax Claims: Based on the September 30, 2022 claims register, no Secured Tax Claims have been identified and scheduled. To the extent that Secured Tax Claim amounts are later identified, a recovery of 100% is expected.

13. Administrative, Priority Tax Claims and Other Priority Claims:

- Administrative Claims: Administrative Claims include unpaid post-petition accounts payable, accrued operating expenses, unpaid post-petition taxes, and Professional Fee Claims among others. This Liquidation Analysis estimates Administrative Claims to be approximately \$49.5 million on the Conversion Date.
- Priority Tax Claims: Based on the September 30, 2022 claims register, federal and state tax claims have been scheduled but not quantified. To the extent that Priority Tax Claim amounts are determined, a recovery of 100% is expected.
- Other Priority Claims: Total Other Priority Claims are estimated to be \$0.0.

14. Account Holder Claims: Account Holder Claims are estimated to be approximately \$1.764 billion as of the Conversion Date based on the number of customer coins and coin prices as of the Petition Date.

15. Alameda Loan Facility Claims: Alameda Loan Facility Claims are estimated to be approximately \$75.1 million as of the Conversion Date.

16. General Unsecured Claims: Based on the September 30, 2022 claims register, General Unsecured Claims are estimated to total approximately \$14.4 million on the Conversion Date.

- General Unsecured Claims at OpCo are estimated to be \$12.1 million.
- General Unsecured Claims at HoldCo are estimated to be \$0.0 million.
- General Unsecured Claims at TopCo are estimated to be \$2.3 million.

17. Intercompany Claims: A promissory note between HoldCo as borrower and TopCo as lender, for \$6.3 million including interest, likely to be considered a valid loan. This Liquidation Analysis assumes that all other Intercompany Obligations will be recharacterized as capital contributions.

Footnotes to Analysis

- (1) Assumes FTX sale transaction does not occur in a liquidation scenario and that the conversion to a chapter 7 liquidation occurs at December 31, 2022.
- (2) For the purposes of this presentation, the Plan and Liquidation Analysis do not assume any recovery on the 3AC loan.
- (3) Total Estimated Proceeds (Net): primarily includes (i) FTX Transaction Proceeds (Plan only), (ii) Estimated Value of Cryptocurrency Portfolio, (iii) Cash & Cash Equivalents and (iii) proceeds from other assets of the estate, net estimated wind down costs. Includes grossed up intercompany claim recoveries from \$6M Promissory Note from HoldCo to TopCo.
- (4) Estimated value of cryptocurrency portfolio under the Plan is based on underlying asset prices using a 20-day price average (9/10 – 9/29).
- (5) Estimated value of cryptocurrency portfolio in the liquidation scenario is discounted based on the estimated impact of market depth constraints as well as transaction fees.
- (6) Administrative claims include estimated unpaid accrued payables, and chapter 11 professional fees incurred through hypothetical conversion date of December 31, 2022.
- (7) Estimated value of Account Holders Claims is based on the dollarization of the customer portfolio based on asset prices as of the Petition Date (7/5).

The Intercompany Obligations and the analysis related thereto are described in greater detail in Article V.C.2 of the Disclosure Statement.
- (11) On the Effective Date, all Intercompany Interests shall be, at the option of the Debtors, either (a) reinstated in accordance with Article III.G of the Plan or (b) set off, settled, addressed, distributed, contributed, merged, cancelled, or released, in each case in accordance with the Restructuring Transactions Memorandum.
- Note: Litigation claim recoveries are assumed to be the same under both the Plan and a Chapter 7 Liquidation and ignored for comparative purposes of this presentation

Frequently Asked Questions & Answers

Exhibit C

FREQUENTLY ASKED QUESTIONS & ANSWERS

About the Plan

1. How are my Account Holder Claims calculated? Can I receive recoveries greater than my Account Holder Claim amount?

As is required by the U.S. Bankruptcy Code, each Account Holder’s Claim is determined by the fair market value of the cryptocurrency (based in U.S. Dollars) held by the Account Holder at Voyager Digital, LLC as of July 5th, 2022 at 00:00 UTC. This process is generally referred to as a “dollarization.” Dollarization allows the Debtors to put all Account Holders’ Claims on equal footing to calculate recoveries in accordance with the requirements of the U.S. Bankruptcy Code.

For example, if an Account Holder’s portfolio consisted of 0.5 ETH, 30 USDC, 20 APE and 100 ALGO on July 5, 2022, the Account Holder would have a total claim against OpCo of \$724.81 (see illustrative example below). All Account Holder Claims will be calculated in an identical manner, regardless of whether such claims are denominated in BTC, ETH, VGX, USDC or are any other cryptocurrency.

Keep in mind, the U.S. Bankruptcy Code requires that all creditors of the same class receive “equal treatment”, so the value that is available for distribution to Account Holders is equitably distributed amongst all Account Holders (i.e., no Account Holder can have a higher opportunity to recover on their claim than another Account Holder). (See Question 4 below.)

Coin	Customer Claim		
	# of Coins Claimed	7/5 Coin Price	Claim (\$)
ETH	0.50	\$1,131.60	\$565.80
USDC	30.00	1.00	30.00
APE	20.00	4.91	98.27
ALGO	100.00	0.31	30.74
Total			\$724.81

In accordance with the U.S. Bankruptcy Code, a creditor is not eligible to receive consideration exceeding 100% of the value of their claim. Additionally, until Account Holders and OpCo General Unsecured Creditors receive 100% of their claims, no consideration is allowed to be distributed to creditors holding lower priority claims against OpCo.

2. How is the Initial Distribution calculated?

The total Initial Distribution to Holders of Allowed Account Holder Claims and Holders of Allowed OpCo General Unsecured Claims consists of a pro rata amount to be determined by the Debtors that will be informed by:

- (i) the upfront cash payment of \$51.0 million,
- (ii) all cash and cash equivalents held at OpCo (net of any cash and cash equivalents necessary (x) to satisfy those claims at OpCo senior to Account Holder Claims and OpCo General Unsecured Claims and (y) to fund a wind-down reserve), and
- (iii) the fair market value of all cryptocurrency held at OpCo.

Each Account Holder's Initial Distribution will be calculated based on their pro rata share of the total Allowed Account Holder Claims and Allowed OpCo General Unsecured Claims. For example, to the extent the fair market value of all cryptocurrency held at OpCo was sold to FTX US at prices based on the 20-day average ending September 29, 2022, the estimated Initial Distribution to creditors would be 72%, comprised of 70% from the value of the cryptocurrency portfolio (the "Cryptocurrency Initial Distribution") and the remaining 2% associated with other cash distributions (the "Cash Initial Distribution") (collectively the "Initial Distribution").

Only Account Holders who timely participate in the transfer of their Accounts to FTX US at least one Business Day prior to the Closing Date and who maintain in their Accounts Cryptocurrency supported by the Purchaser will receive their share of the Cryptocurrency Initial Distribution on an in-kind basis (as further detailed in #7 below). Account Holders will still be able to transfer their Accounts to FTX US following such date until the final migration cut-off 45 days after the Closing Date and receive their share of the Cryptocurrency Initial Distribution into their FTX US Accounts, but will receive such distribution in the form of USDC rather than in-kind cryptocurrency. Account Holders who maintain Cryptocurrency in their Accounts that is not supported by FTX US will also receive their share of the initial distribution in the form of USDC. All other distributions, including the Cash Initial Distribution, will be made on a pro rata basis in cash.

Under the Plan, the purchase price of OpCo's cryptocurrency, other than VGX, will be determined based a 20-day historical average at a future point in time during a reference period. As such, the size of the Initial Distribution and ultimate recoveries relative to each Account Holder's dollarized claim as of July 5th, 2022, is unknowable at this time and will be impacted by the price performance of OpCo's cryptocurrency portfolio during such reference period.

An illustrative Initial Distribution spreadsheet has been made available for Account Holders at <https://cases.stretto.com/Voyager/content/1713-account-holder-illustrative-recovery-analysis/> with calculations based on estimated Initial Distributions as if the portfolio had been sold on September 29th, 2022 and estimates for the size of the total claims pool against OpCo and associated holdbacks.

3. The cryptocurrencies in my account have gone up since July 5th, are my recoveries then based on price of those cryptocurrencies at the time of the Initial Distribution?

No, in order for all creditors, Account Holders or otherwise, to be treated in an equal and fair manner, as required by the U.S. Bankruptcy Code, the value of each creditor's claims is "dollarized" as of July 5th, 2022. (See Question 1)

At the time of the Initial Distribution, all Holders of Allowed Account Holder Claims and Allowed OpCo General Unsecured Claims will receive an equal pro rata recovery relative to their dollarized July 5th, 2022 claim, regardless of the price performance of the underlying cryptocurrencies in such Account Holder's account.

All cryptocurrencies at OpCo, including VGX, are property of OpCo's estate and the ultimate purchase price to be paid for such assets by FTX US will be a key factor in determining the size of the Initial Distribution. *As such, under the Plan, all Holders of Account Holder Claims and OpCo General Unsecured Claims are effectively "long" OpCo's entire cryptocurrency portfolio through the date at which the fair market value is determined under the FTX US asset purchase agreement, regardless of the specific cryptocurrencies held by any individual Account Holder, with any upside limited by the amount of such Account Holder's or OpCo General Unsecured Creditor's Allowed Claim.*

In the event of a wind down, liquidation, or an alternative plan construct (even to the extent it supported 100% of the same cryptocurrencies as those available on the Voyager platform), claims and distributions would be treated in an identical manner with Account Holder Claims being dollarized as of July 5th, 2022 and distributions to Holders of Account Holder Claims and OpCo General Unsecured Claims being based on the value of consideration at the time of such distribution relative to such creditors' dollarized claim value. Under a wind down or liquidation, all cryptocurrency would be immediately sold into the market and distributions would not be made in-kind, but in cash in U.S. dollars.

For example, under the FTX US transaction, to the extent an Account Holder had a claim for \$1,000 based on the dollarized value of their cryptocurrencies as of July 5, 2022, and the sale price of the cryptocurrency held at OpCo

implied an Initial Distribution of 72%, such Account Holder would receive an Initial Distribution with value equal to \$720. Such value may be in a mix of in-kind cryptocurrencies, USDC and/or U.S. dollars depending on whether such Account Holder transitioned to FTX US timely, and the nature of such Account Holder’s Claims and cryptocurrencies supported on the FTX US platform.

Such creditor would then have a deficiency claim of \$280 which could be satisfied through subsequent distributions from the liquidating trust relating to cash hold backs, 3AC recoveries, the FTX US earn out and other retained value at OpCo after any claims at OpCo that are senior to Account Holder Claims and OpCo General Unsecured Claims, such as priority and administrative claims, have been satisfied.

A deficiency claim in this case is simply the difference between the Initial Distribution and the Account Holder Claim (dollarized value of cryptocurrencies as of July 5, 2022). It is the amount necessary to achieve 100% recovery vs. total (cumulative) recoveries received at any point in time. (See Question 17)

4. Can’t recoveries be ‘tiered’ based on account size? Some accounts had less than \$100, but mine had \$100,000, shouldn’t I receive a higher percentage recovery if I’m losing more in dollar terms?

No, the U.S. Bankruptcy Code requires that all creditors of the same class receive “equal treatment.” A Debtor is not permitted to favor some creditors within the same class over others. Account Holders are the same class of creditors regardless of account size. As such, all Account Holder recoveries need to be treated in the same manner, whether such distributions were made under a plan, wind down, liquidation, or otherwise. This does not mean that all Account Holders will receive the same amount of distribution, but rather that each Account Holder will receive the same treatment under the Plan, the same opportunities in connection with the distributions contemplated under the Plan, and

the same percentage recovery on their claims (i.e., each Account Holder will receive a recovery of approximately 72% of their claim).

5. Are my VGX recoveries only limited on my proportional share of \$10.0 million? How is the value of my VGX being treated?

No, Account Holders that held VGX are not limited to receiving their pro rata share of \$10.0 million for their VGX claim. All Account Holder Claims and recoveries will be treated in an identical manner. All Account Holder Claims will be “dollarized” as of July 5th, 2022 with Account Holders receiving the same proportional amount of value in recoveries relative to such claims, regardless of whether an Account Holder had BTC, ETH, USDC, VGX, or any other cryptocurrency in their account.

In connection with their proposal, FTX US has agreed to offer a minimum purchase price of \$10.0 million for 100% of the VGX owned by OpCo. For purposes of the enclosed illustrative recovery analysis, all of the VGX in OpCo’s estate is assumed to be sold by OpCo to FTX US at the \$10.0 million minimum purchase price, which ultimate proceeds will flow through to collective implied recovery values for all creditors. Actual consideration received for the VGX owned by OpCo’s estate could materially differ from the \$10.0 million offer provided by FTX US depending on a number of factors, including market conditions.

Under the Plan, for Account Holders with VGX in their accounts on the Petition Date, the VGX portion of such claims will be determined based on the U.S. dollar price of VGX on the Petition Date of \$0.2382. To Dollarize the VGX portion of a claim an Account Holder would multiply the U.S. dollar price of VGX on the Petition Date of \$0.2382 by the amount of VGX coins held as of the Petition Date.

For illustrative purposes, to the extent that the implied Cryptocurrency Initial Distribution under the Plan is 72% of claim value, an Account Holder would receive an Initial Distribution in USDC based on (i) (x) their VGX claim value multiplied by (y) the Initial Distribution percentage, regardless of whether VGX is sold to FTX US for \$10 million or if it is monetized at a higher price.

As outlined in the table below, if an Account Holder has a 1,000 VGX token claim, the associated dollar value of such claim would be \$238.19. If the Initial Distribution is 72% of claim value, the Account Holder would receive an Initial Distribution equal to \$171.49.

The Account Holder will then have a deficiency claim against OpCo in an amount of \$66.70 (\$238.19 claim value less \$171.49 Initial Distribution), which may be satisfied through (i) recoveries on OpCo’s loan to 3AC, (ii) distributions from the FTX US earn out, and (iii) any residual cash proceeds attributable to OpCo from the liquidation trust after the full satisfaction of claims at OpCo that are senior to Account Holder Claims.

Further, on or prior to the 30-day anniversary of the later of (x) the Closing Date and (y) the date that such Account Holder becomes a Transferred Creditor, such Account Holder will also have an additional \$50.00 deposited into their FTX US account if they have executed at least one trade on the FTX US platform, regardless of the size of the trade and which trade shall not be subject to any transaction fee.

6. If my Account Holder Claim is only \$25.00, am I still entitled to receive a \$50.00 account credit at FTX US?

Yes, any Account Holder who transitions their Voyager account to an FTX US account is eligible for an FTX US account credit as described below. Such credits are not solely limited to Account Holders and are available for any Holder of an Allowed OpCo General Unsecured Claim under the Plan who opens an FTX US account, subject to meeting the minimum terms and conditions.

On or prior to the 30-day anniversary of the later of (x) the Closing Date and (y) the date that an Eligible Creditor (as defined in the asset purchase agreement) becomes a Transferred Creditor, \$50.00 will be deposited into accounts for those eligible Transferred Creditors which have signed up for an FTX US account and have executed at least one cryptocurrency transaction on the FTX US platform within the period following the later of (x) the Closing Date and (y) the date that an Eligible Creditor becomes a Transferred Creditor. Such minimum trading requirement will not be subject to size requirements and such trade will not be subject to any transaction fees.

7. If I had tokens in my Voyager account that are listed as being supported and unsupported at FTX US, do I only receive U.S. Dollars in my Initial Distribution?

No, to the extent a token is supported on the FTX US platform, the Cryptocurrency Initial Distribution with respect to such supported tokens will be made in kind (i.e., in the underlying cryptocurrency of the claim) to Account Holders who transition to FTX US no later than one Business Day prior to the Closing Date. Only supported token claims are available for recovery distributions on an in-kind basis and only the Cryptocurrency Initial Distribution portion of such claim recovery will be made in-kind, being denominated in such token. For unsupported tokens, distributions will be made in USDC into the claim holders' FTX US accounts.

To the extent an Account Holder owns multiple supported tokens and multiple unsupported tokens, the Account Holder will receive their Cryptocurrency Initial Distribution in-kind for each specific supported token if they timely transfer their Account to FTX US. All other Initial Distributions to Account Holders who transfer to FTX US, including those for unsupported tokens, will be made in USDC. The Cash Initial Distribution and future recovery distributions will be made to creditors in U.S. Dollars. Account holders are required to timely sign up for an FTX US account by one Business Day prior to the Closing Date in order to be eligible to receive an in-kind distribution. If an Account Holder does not open an FTX US account, all distributions will be made in U.S. Dollars, following the end of the 45-day grace period.

At this time, FTX US supports 22 tokens that were available on the Voyager platform. Excluding the impact of USDC, these 22 tokens represent approximately 77% of the dollar value of cryptocurrency denominated claims as of July 5th, 2022. As such, the Debtors anticipate that the vast majority of the Account Holder Cryptocurrency Initial Distribution will be made on an in-kind basis at Closing. FTX US has also indicated to the Debtors that other currently unsupported tokens are likely to become supported by the time of closing. For such newly supported tokens, the Cryptocurrency Initial Distribution will also be made on an in-kind basis under the Plan.

For example, if an Account Holder held BTC, ETH and XRP in its account, for purposes of the Cryptocurrency Initial Distribution, the BTC portion of such recovery will be made in BTC, the ETH portion will be made in ETH and the XRP portion, as an unsupported token, will be made in USDC. Additionally, the Account Holder would receive its pro rata share of the Initial Cash Distribution, which will be made in U.S. Dollars. Such Account Holder is also eligible for a \$50.00 FTX US account credit, subject to meeting the minimum terms and conditions. All other future distributions will be made in U.S. Dollars based on the Account Holder's remaining claim (Deficiency Claim) after the Initial Distribution.

8. If a token in my Voyager account was listed as being unsupported at FTX US, can I select a different supported token to receive my distribution in versus U.S. Dollars?

No, the in-kind distribution is only eligible for those Account Holder Claims denominated in tokens which are supported on the FTX US platform. However, Account Holders who have timely completed all documentation and Know Your Customer “KYC” processes and who have opened an FTX US account are eligible for one cryptocurrency transaction on the FTX US platform without being subject to any transaction fee.

On the 30-day anniversary of the later of (x) the Closing Date and (y) the date that such Account Holder becomes a Transferred Creditor, such Account Holder will also have an additional \$50.00 deposited into their FTX US account to the extent they have executed one cryptocurrency transaction on the FTX US platform, regardless of the size of the trade.

See Question 7 for additional detail relating to tokens supported on the FTX US platform.

9. If my account only had BTC, will all of my distributions be made in BTC?

No, only the Cryptocurrency Initial Distribution is eligible to be made in-kind. Despite an Account Holder only owning a supported token, the Cash Initial Distribution (estimated at 2%), plus all future distributions associated with future recoveries, will be made in U.S. Dollars based on the respective U.S. Dollar denominated claim amount.

The in-kind distribution is also only eligible for those claims denominated in those tokens which are supported on the FTX US platform. FTX US supports tokens that represent approximately 77% of the dollar value of cryptocurrency denominated Account Holder Claims as of July 5th, 2022 and, as such, the Debtors estimate that the vast majority of Account Holder Cryptocurrency Initial Distributions will be made on an in-kind basis.

10. Are my recoveries capped at the value I receive in the Initial Distribution?

No, in addition to recoveries associated with the Initial Distribution, Holders of Account Holder Claims and OpCo General Unsecured Claims are entitled to receive additional recoveries, net of any OpCo administrative and priority claims and wind-down expenses up to their total dollarized claim amount, including with respect to (i) any recoveries on account of the 3AC loan, (ii) the FTX US earn out, (iii) value associated with the sale of any other OpCo assets, and (iv) residual cash distributions attributable to OpCo from the liquidating trust.

However, in accordance with the U.S. Bankruptcy Code, a creditor is not eligible to receive consideration exceeding 100% of the amount of their claim.

11. When, and how, will I receive value from 3AC recoveries?

Voyager continues to work diligently to maximize its recovery in the 3AC Liquidation Proceeding on account of the 3AC Loan and the recovery from the 3AC Loan, if any, will be distributed to Holders of Account Holder Claims and OpCo General Unsecured Claims as soon as commercially reasonable. However, the timing of actual distributions to Holders of Account Holder Claims and OpCo General Unsecured Claims may be affected by many factors that cannot be predicted. Therefore, the estate cannot guarantee the timing or amount of the 3AC recovery.

Upon receipt of a 3AC recovery, the Distribution Agent shall make distributions to Holders of Account Holder Claims and OpCo General Unsecured Claims at the address for each such Holder as indicated on the applicable register or in the Voyager records as of the date of any such distribution (as applicable). Any 3AC recovery distributions shall be made in the form of U.S. dollars.

12. When, and how, will I receive value from any recoveries associated with the FTX US earn out?

The FTX US earn out is calculated based on (i) the value of the daily average assets (denominated in BTC) in the aggregate attributable to the Transferred Creditors’ accounts on FTX US over the six month period following the Closing Date **divided by** (ii) the aggregate value of the assets (denominated in BTC) initially attributable to all Transferred Creditors’ FTX US accounts **multiplied by** (iii) \$10.0 million (subject to a cap of \$20.0 million).

After six months, FTX US will calculate the earn out payment and, within ten Business Days, make the earn out payment to OpCo’s estate. Upon receipt of an earn out payment from FTX US, the Distribution Agent shall make distributions to Holders of Account Holder Claims and OpCo General Unsecured Claims at the address for each such Holder as indicated on the applicable register or in the Voyager records as of the date of any such distribution (as applicable). Any earn out distributions shall be made in the form of U.S. dollars.

13. What will happen to the VGX token going forward under the Plan?

FTX US has offered to purchase all VGX in OpCo’s estate for a purchase price of \$10 million. This is a floor of what OpCo will receive for VGX.

The Debtors continue to work internally and with third parties in an effort to identify a higher and better solution for VGX that is also compatible with the FTX US agreement and are hopeful they will be able to do so.

Any alternative solution, to be acceptable, must deliver value to OpCo and its estate that exceeds \$10 million and must be compatible with the agreements between OpCo and FTX US. If the Debtors are unable to identify a higher and better solution for VGX, OpCo will accept FTX’s offer and, as a result, VGX may decline in value and may have no value post-consummation of the Plan.

Selected illustrative recovery value sensitivities associated with the ultimate value VGX is sold at, assuming all other cryptocurrencies are sold at the 20-day average price as of September 29th, are outlined below.

	Illustrative VGX Recovery Value

14. Is FTX US acquiring the crypto at the July 5th price, the 20-day average as of September 29th or at a future price?

Under the Plan, FTX US will acquire the cryptocurrency at a to be determined price based on the fair market value of such cryptocurrency during a 20-day reference period which will be determined prior to Closing.

As such, actual Initial Distributions will be dependent on the future price performance of OpCo's cryptocurrency portfolio and will be subject to increases or decreases relative to the estimated 72% based on actual cryptocurrency prices during such reference period.

15. Is the \$51 million of cash FTX US is paying to the estate above and beyond the value they pay for the cryptocurrency? Do I get a portion of that \$51 million?

Yes, the \$51 million of upfront consideration is *in addition to* the fair market value of the cryptocurrency FTX US would acquire under the Plan. Under the Plan, such cash value directly and indirectly accrues to the benefit of OpCo's creditors.

16. Who is eligible to join FTX US under the Plan in order to receive an in-kind Cryptocurrency Initial Distribution?

Holders of Account Holder Claims and OpCo General Unsecured Claims are eligible to join FTX US.

Only Account Holders who timely transfer their Accounts to FTX US by one Business Day prior to the Closing Date and maintain cryptocurrency in their Account that is supported by FTX US will receive their share of the Cryptocurrency Initial Distribution on an in-kind basis (as further detailed in #7 below). Account Holders will still be able to transfer their Accounts to FTX US following such date until the final migration cut-off 45 days after the Closing Date and receive their share of the Cryptocurrency Initial Distribution into their FTX US Accounts, but will receive such distribution in the form of USDC rather than in-kind cryptocurrency. Account Holders who maintain Cryptocurrency in their Accounts that is not supported by FTX US will also receive their share of the initial distribution in the form of USDC. All other distributions, including the Cash Initial Distribution, will be made on a pro rata basis in cash.

17. What is a "deficiency claim"?

A deficiency claim means the difference between a creditor's total dollarized claim value as of July 5th, 2022 and the dollar value of recoveries distributed to such creditor at any point in time pursuant to the Plan. In effect, it represents the difference between the cumulative value returned to a creditor relative to their total claim value at any point in time.

18. What does an “in-kind” distribution mean?

An “in-kind distribution” means a Holder of an Account Holder Claim may be eligible to receive value in the same type of cryptocurrency that their initial claim was denominated in.

Only those cryptocurrency tokens that are supported on the FTX US platform will be eligible for an in-kind distribution and in-kind distributions will only be made available through FTX US. As such, Account Holders are required to sign up for an FTX US account to the extent they wish to receive an in-kind distribution. The number of in-kind cryptocurrency tokens will depend on (i) the Cryptocurrency Initial Distribution and (ii) the 20-day average price of such cryptocurrency during the reference period.

For any specific supported cryptocurrency, a creditor can determine the number of tokens received at FTX US for that specific cryptocurrency based on the following formula:

$$\text{Claim Value} = \# \text{ of prepetition tokens} * 7/5 \text{ coin price}$$

$$\# \text{ of in kind tokens received} = \frac{\text{Claim Value} * \text{Cryptocurrency Initial Distribution}}{20 \text{ day average reference price}}$$

For example, to the extent an Account Holder has a claim for 1.0 BTC, the dollarized value of such claim as of July 5, 2022 would be \$20,157.69. BTC is a supported token at FTX US. To the extent the Account Holder signs up for an FTX US account, the Cryptocurrency Initial Distribution is 70%, and the 20-day average reference price of BTC is \$19,783.48, such Account Holder would receive an Initial Distribution consisting of (a) 0.7132 BTC (equal to (i) (x) \$20,157.69 claim multiplied by (y) 70% Cryptocurrency Initial Distribution divided by (ii) \$19,783.48 20-day average reference price) plus (b) the Cash Initial Distribution.
